

The Red Horse

UNVEILING The Russia-China Alliance & Nuclear War on America

"and there went out the Red Horse, and power was given unto him to take peace from the earth, and that they should kill one another; and there was given unto him a great sword."

Revelation 6:4 (Second Seal)

With the 10th anniversary of the 9-11 terror attack upon the USA fast approaching, it's time the unrepentant American public realize that the **worst** is yet to come! Indeed the First Seal of Revelation's judgments opened on 9-11, now the world can expect the horrifying nightmare of a great third world war! This is the Second Seal and the nuclear "Red Horse"! For the past 10 years, the US President – the Rider king of the White Horse (USA/Nato) - has relentlessly attacked and invaded the oil-rich nations of the Middle East – just as Daniel 11:40-43 prophesied! Now, the Red Horse – Chinese & Russian Alliance - has prepared itself to bring an end to this rogue world power – Western Civilization. You are about to witness the ultimate Clash of Civilizations when "*nation rises against nation and kingdom against kingdom*" (Matthew 24). You are living in the last days and America is about to feel the full brunt of YHWH's judging hand -the New World Order! Will you be sealed with "Yahweh's Salvation" before it's too late?

"...but tidings out of the east (China) and out of the north (Russia) shall trouble him; therefore he shall go forth with great fury to destroy and utterly annihilate many."

Daniel 11:44

World War III is NOT Armageddon!

"World War III is only the Second Seal!"
-Elder Beniah Weldon – TwoWitnessMinistries.com

The coming nuclear world war is **NOT** the final war called "Armageddon"! This world war of the Second Seal will usher in the enslavement of mankind (what remains) under a ruthless world dictatorship composed of 10 regions. This war establishes the dream of the UN's founders – a New World Order - the 10-horned Beast (global gentile government) prophesied to rise in both Daniel & Revelation. All sovereign nations will be eliminated to secure "world peace". This is the "Club of Rome" (Vatican) global tyranny under ONE man- the "son of perdition" (2 Thes.2:3)-Papacy headquartered at Jerusalem (Dan.11:44) "the abomination that brings desolation" – ie. The Anti-Messiah! These ten regions were also symbolized as the 'ten toes' in Daniel 2:42.

The 10-Headed Beast of Revelation 17

Is about to rise!

The Regionalization of the World System – 1910
The Club of Rome

This will be rebellious man's final attempt at world government, but after its short reign, the Second Coming of Yahweh's Anointed One – Yahsha the Mashiakh will crush this New World Order into the dustbin of history! (Daniel 2:45; Rev.19:15) The war known as '**Armageddon**' (Rev.16:16) is the gathering of earth's remaining militaries against the returning Messiah of Israel! **This does not take place until the "last trump" of the Seventh Seal** (I Cor.15:52; Rev.19).

"And the TEN HORNS which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast. These shall make WAR with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful." –Revelation 17:12-14

This assault upon the returning Savior will come from an Oriental hoard of 200 million also called the "*kings of the east*" (see Rev.9:16). These are the same communist butchers which are symbolized by the Red Horse which was released years earlier upon the White Horse - the USA. The conquest and destruction of the USA has been a long standing socialist goal! The US has been maneuvered into position for this judgment and defeat in the last days! YHWH's judgment is sure!

The Perestroika Deception
Anatoli Golitsyn worked inside the system, inside the KGB. He predicted what later has become reality - Russia clearly staged the collapse of communism in Eastern Europe, the KGB financed all so-called dissidents that run the Eastern European governments, Golitsyn analyzed the strategic communist plan in detail and yet the US government is not listening and the socialist media is not paying attention to the threat from

Russia and China. Communist World Domination will become a horrible reality if the US does not reassess Russia's military strength and the real intentions KGB lieutenant colonel Vladimir Putin and his communist Politburo have for America - destruction and installation of a communist World Order around the planet. Golitsyn clearly stated in this brilliant analysis that the deceptive means of false friendship Russia & China are playing today will only result in catastrophic consequences if America doesn't repent for her iniquities. The means of communist infiltration and systematic subversion of the West are clearly shown in detail. America has long been socialized by socialists!

Clinton Gave China Chip Technology For Nuclear Warfare

DECade of Betrayal

Newly declassified documents show that socialist Pres. Bill Clinton personally approved the transfer to China of advanced space technology that can be used for nuclear combat. The documents show that in 1996 Clinton approved the export of radiation hardened chip sets to China. The specialized chips are necessary for fighting a nuclear war.

"*Waivers may be granted upon a national interest determination,*" states a Commerce Department document titled "**U.S. Sanctions on China.**"

"The President has approved a series of satellite related waivers in recent months, most recently in November, 1996 for export of radiation hardened chip sets for a Chinese meteorological satellite," noted the Commerce Dept. documents. These special computer chips are designed to function while being bombarded by intense radiation. Radiation hardened chips are considered critical for atomic warfare and are required by advanced nuclear tipped missiles. (Judicial Watch obtained the documents through the FOIA Act.)

SPY WARNS OF RUSSIAN WAR PLANS

Stanislav Lunev - the highest-ranking GRU (Russian military intelligence) officer ever to defect from Russia

-- also warns that Russia is preparing for war against the United States. Lunev's book *Through the Eyes of the Enemy* states categorically that the Cold War is not over and that Russia continues to plan for a nuclear war. *"Russia remains terrified of the (out-of-control) power of America, and Russian military intelligence does everything it can prepare for a war that it considers inevitable,"* he wrote. This war, Lunev details, would employ nuclear, biological and chemical weapons against America.

RUSSIAN PLANS: KILL US LEADERS

Lunev explains war would begin with the infiltration of Russian special operations troops into the US, who would kill top political and military leaders. Lunev also warns that Russian GRU (military intelligence) agents have already deposited, near key water reservoirs, deadly poisons and toxins which would result in millions of civilians being ravaged by disease. Lunev says, for instance, that the Russians have determined that they could wipe out a significant part of the population of Florida by polluting water sources in the Carolinas. Another part of Russia's plan, according to Lunev, is deployed suitcase nuclear bombs at strategic points throughout the US. Lunev says he personally scouted a site in the Hudson Valley just above New York City for one such suitcase nuke. Lunev has also told me that the democracy movement in Russia was a charade ("Perestroika Deception") and part of a "plan" to get the public of the West to accept disarmament achieving through deception what the Soviet Union was never able to achieve militarily. Lunev explained that China was pursuing parallel policies, absorbing as much Western aid and technology as possible before a final confrontation, which Lunev regarded as imminent.

Shanghai Cooperation Organization

The Shanghai Cooperation Organization (SCO) is a regional intergovernmental security alliance involving Russia, China and four Central Asian states

THE "RED HORSE" – the Sino-Russian Alliance

The main objectives of the SCO are defensive in nature. The economic objectives of the SCO are to integrate and unite Eurasian economies against the economic and financial onslaught and manipulation from the "Trilateral" of North America, West Europe, and Japan, which controls significant portions of the global economy. Pro-Zionist America and Britain, the Anglo-American alliance, have engaged in an ambitious project (PNAC) to control Eurasia's global energy resources. Their imperialist actions have resulted in a series of complicated reactions, which have established a Eurasian-based coalition (SCO) which has been preparing to challenge the NATO Axis (White Horse).

"Today we are witnessing an almost uncontained hyper use of force – military force – in international relations, force that is plunging the world into an abyss of permanent conflicts. As a result we do not have sufficient strength to find a comprehensive solution to any one of these conflicts. Finding a political settlement also becomes impossible. We are seeing a greater and greater disdain for the basic principles of international law. And independent legal norms are, as a matter of fact, coming increasingly closer to one state's legal system. One state and, of course, first and foremost the United States, has overstepped its national borders in every way."

-Vladimir Putin at the Munich Conference on Security Policy in Germany (February 11, 2007)

RUSSIA THREATENS NUKE STRIKE

Recent statements coming from one of Russia's highest-ranking military commanders indicate that America and Israel plan to go ahead with war on Iran despite the release of the National Intelligence Estimate late last year (2007). Russia's military chief of staff General Yuri Baluyevsky threatened the use of nuclear weapons in case of a major threat. He said that, they nevertheless "consider it necessary for everyone around the world community to clearly understand, that to defend the sovereignty and territorial integrity of Russia and its allies, military forces will be used, including, preventively, the use of nuclear weapons." What is of particular importance in General's statement is his mention of "defending the sovereignty and territorial integrity" of, not just Russia, but her "allies" as well. Baluyevsky's statement, despite the stark and apocalyptic themes pervading it, comes as no surprise. Over the course of the past year, Russia has taken on an increasingly aggressive defensive posture with regard to the West as a result of what it sees as an overall plan of encircling her with NATO forces that threaten her existence. Both (Iran and Syria) are on Israel and America's (the White Horse) list of countries targeted for invasion and conquest. Both are important trading partners occupying Russia's peripheries and therefore a first-line defense of Russian territory.

Invasion of Iran would trigger World War III

8/31/08 Tehran Times Political Desk

TEHRAN – Brigadier General Massud Jazayeri said ...any military invasion of Iran would trigger another world war. "Any aggression against Iran would be the start of the world war. The exorbitant demands of the U.S. leaders and the global Zionism which have created the current situation in Iraq, Afghanistan, Sudan, and Caucasus are gradually directing the world to the edge of the cliff," Jazayeri opined.

Attack Iran and you attack Russia (the Red Horse)

10/26/2007 AsiaTimes - Putin and Iran's leader have agreed on a plan to nullify the US's relentless drive towards launching a preemptive attack, perhaps a tactical nuclear strike, against Iran. An American attack on Iran will be viewed by Moscow as an attack on Russia...

Fatima Envisions USA's Demise

Regardless of whether you believe the visions of Fatima to be authentic, they do speak the truth regarding the judgments upon America, which is why we added these excerpts here for the prophecy student...

"Your country, America the beautiful, is being prepared now for complete capitulation. Now you know, My children, and now you must act upon this knowledge, or you, too, will feel captivity and slavery ... You have blindly walked right into the trap of enslavement set upon you through devious infiltration of your government, your schools, and your medias of communication... Awaken now from your slumber and seek your return from your course of destruction by getting down upon your knees and praying in heartfelt, sincere prayer to the Eternal Father, to guide you back from your present road of destruction...."

- Fatima Vision, 06/05/75

"And you, My country, America the beautiful, you are all-wise but stupid in management, for you have the picture of your coming destruction right before your face and you refuse to look."

- "Our Lady" 04/02/77

The Bayside Prophecies even tell us:

U.S. surrounded with submarines ...

Our Lady - "Many warnings are being given to mankind and these will increase in nature. Horrible life-taking forces of nature shall be allowed to come upon you. All this is to take place while the enemy of God and your nation is surrounding you with submarines and planning a missile attack." (6-18-92)

Master plan for the takeover...

Our Lady - "Do not take lightly the reports of ships out on the sea and submarines. They are there, My child and My children, and they are not out for a joy ride. It is all part of the master plan for the takeover of the United States and Canada."

Chinese Sub Surprises U.S. Aircraft Carrier Battle Group, Surfaces Within Striking Distance of Carrier

"The United States Navy was performing exercises between Japan and Taiwan.

when a lone Chinese submarine did the unthinkable. It surfaced, undetected, within striking range. US military chiefs have been left dumbstruck by an undetected Chinese submarine popping up at the heart of a recent Pacific exercise and close to the vast U.S.S. Kitty Hawk – a 1,000ft super carrier with 4,500 personnel on board. By the time it surfaced the 160ft Song Class diesel-electric attack submarine is understood to have sailed within viable range for launching torpedoes or missiles at the carrier. According to senior NATO officials the incident caused consternation in the U.S. Navy. The US had no idea China's fast-growing submarine fleet had reached such a level of sophistication or that it posed a threat."

In Judgment for unrestrained Baal worship, YHWH has allowed the socialist Edomite "Jews" (descendants of Esau) to hijack and bankrupt the USA. Their New World Order will use the communist "RED" creation – the Red Horse to "annihilate" and subjugate prophetic "Israel" in the last days – the White Horse (the USA). (Request our FREE information "Revealing the Cursed Edomites!") At this time, the White Horse goes forth "conquering and to conquer" (Rev.6:2). This coming nuclear war and defeat of America cannot be stopped. It was prophesied long ago. As Yahsha h'Mashiakh prophesied, because the USA "lives by the sword, she will die by the (great) sword". YHWH's anger for her stubbornness, idolatry and genocide of innocents will "burn to the grave below..." (see Deut.32:22-24)

"blood, fire and pillars of smoke." - Joel 2:30

"behold, the day cometh that shall burn like an oven..." – Malachi 4:1

In Matt.24, Yahsha the Judge of the nations hath said, **"for nation shall rise against nation, and kingdom against kingdom"** is... the "great sword" of World War III – the RED HORSE!
