

PUPPET KING of THE NEW WORLD ORDER

Barry Soetoro

ABSOLUTELY HISTORIC!

In January 2009, Americans Inaugurated their First Islamic Illegal Alien to the Highest Office in the Land!!!

If the American people willingly elected *in opposition to constitutional requirements* a criminal usurper, then should they complain when their "Anointed One" acts in opposition to that same Constitution? Don't Americans have the liberty to choose criminal leaders to rule over them, IF THEY SO DESIRE? This man who promised "CHANGE" from the pro-war, big government policies of the Bush regime, has proved himself to be a liar and a hoax in more ways than one. Will the American people wake up and impeach this usurper puppet of the New World Order or will they allow Barry's allegiance to the UN and the Int'l Banksters to destroy what little sovereignty remains? This is the LAWLESSNESS we see today in the "New Amerika" and why Kenya's Barry Soetoro could be remembered as Amerika's "Final Pharaoh!"

"Obama's task will be to... create a New World Order."

Henry Kissinger at the NYSE, Jan.2009

PUPPET of BABYLON

History was made in January 2009 as, in direct violation of the U.S. Constitution, the first illegal alien was sworn into the office of the Presidency of the United States (Inc.) The Savior prophesied for the Last Days that a great secret society "Mystery BABYLON the Great" would reign over all presidents, kings and prime ministers of planet earth including the puppet king: President Barack Hussein Obama.

"And the woman-Church which thou sawest is that great city (Rome) which reigns over the kings of the earth." - Revelation 17:18

The Vatican works tirelessly toward the fulfillment of total global domination by the Illuminati communist creature the United Nations (UN). Many former presidents, such as former CIA head: **George H.W. Bush (Sr)**, have expressed such an allegiance to this agenda which he dubbed "the New World Order" ...

"Out of these troubles times a New World Order can emerge...It is the sacred principles enshrined in the UN Charter to which we will henceforth pledge our allegiance."

-Bush's 1992 Address to the United Nations

You can witness that those in high places pledge allegiance to the GOD of their New World Order...

AN ISLAMIC PHARAOH CAPTURED the WHITE HOUSE

"You're absolutely right."

John McCain has NOT talked about my Muslim faith..." -Barry Soetoro aka. Barak Hussein Obama on the This Week Show 2008.

Obama, "many other Americans have muslims in their families or have lived in a muslim majority country, I know because I am one of them. But my father came from a Kenyan family that includes generations of muslims. As a boy, I spent many years in Indonesia and heard the call of the azan at the break of dawn...but I have known Islam on three continents before coming to the region where it was first revealed.

**That experience guides
MY CONVICTION..."**

In a 2007 interview with the New York Times, Obama recited the Muslim call to prayer in a PERFECT Arabic accent, and then went on to say that **"the muslim call to prayer was the prettiest sound on earth"**.

In early June, Obama and his wife and entourage went to Europe, making various stops and collecting honors, awards, and worship where ever he went. Then it was time for him to go to the Middle East where he visited Saudi Arabia & Egypt. Michelle Obama did not go with him to the Arab countries, but rather parted company with the President and returned home to Washington, D.C. It was because it would have been a violation of Moslem Sharia Law for her, as a woman, to be with him. This illegal US President would not violate his Islamic religious law. In fact, when Obama made his speech in Cairo, Egypt, he touted Islam profusely. This was the first time any US President enlisted a NON-christian religion to establish global unity and peace. Obama also quoted from the KORAN and referred to it as a the 'Holy Book'. He also complimented Sharia Law as being compatible with U.S. law, and he emphasized that Islam is a big part of America and plays a distinct role in its past.

"I am committed to working with American muslims to ensure that they can fulfill saka. It is important for western countries to avoid impeding muslim citizens from practicing religion as they see fit. And I consider it part of MY responsibility as President of the US to fight against negative stereo-

types of Islam wherever they appear." This Islamic President also declared the following:

"We are no longer a Christian nation..."

Obama was also honored highly in Egypt, where medallions were struck and circulated. One circulating there had the image of an Egyptian Pharaoh and the following words: **"Obama – New Tutankhamon of the World."** Thus, Obama was declared the new King Tut and Pharaoh of the world! When has such a thing ever happened to a head of state? Your 'President' is now a Pharaoh, the son of the sun-god Ra. Obama went to Egypt for spiritual reasons and came away with a spiritual title awarded by his Moslem Brotherhood.

Q: Is Obama a secret Muslim terrorist trained by the New World Order to hijack the Office of the Presidency to secure the destruction of America?

OBAMA: ANTI-AMERICAN?

Channel 9 News –
Iowa City, 2008

"Presidential candidate: Barak H Obama is trying to change political fashion. He gave a speech in Iowa City today and he wasn't wearing an American flag pin. The pins have become synonymous with politicians since 9-11. Obama says he **"doesn't like how the pin has come to represent patriotism in America"**. He admitted in an interview, "I won't wear that pin on my chest".

On the Alan Colmes Show, Kate Obenshain of Clare Booth Luce Policy Institute shared the following sentiment in regards to Obama's show of anti-americanism during the presidential campaign, **"It's a little weird Alan that in the middle of the campaign the guy takes off the American flag that most people wear because they are proud of their country."**

Obama is on record for the following, **"Islam is not part of the problem in combating violent extremism it is an important part of promoting peace..."** In 2009 Egyptian Foreign Minister Ahmed Abul Gheit said he had a meeting with Obama, where he told him that He was **"still a Muslim, the son of a Muslim father, the step son of Muslim stepfather, that his half brothers in Kenya are Muslims, and that he was sympathetic towards the (radical) Muslim agenda."**

BY NOW you may have seen **THE NEW YORKER** magazine's July 2008 'satirical' cover depicting presidential candidate Obama and his wife as flag-burning fist-bumping Islamic radicals... You

know the cartoon which depicts Obama in traditional Muslim clothing -- sandals, robe and turban -- his wife Michelle, with

an assault rifle slung over one shoulder and dressed in camouflage and combat boots, while an American flag burns in a fireplace and a portrait of Osama bin Laden hangs above the mantel. Obama admitted the cartoon DIDN'T bother him but that it was an insult to Muslim Americans. According to the AP article,

"Obama blamed himself for not being forceful enough in challenging some of the rumors about him, including that he is Muslim."

INDONESIA - 1971

Obama's family moved from H Ramir Street to Dempo Street and Obama enters the 4th grade at the Besuki Primary School, a government school. He was enrolled as: Barry Soetoro, Muslim. All Indonesian students were required to study religion at school and a young Barry Soetoro, being a Muslim, was required to study Islam daily in school. He was taught to read and write Arabic, to recite his prayers properly, to read and recite from the Quran and to study the laws of Islam. In his autobiography, "Dreams From My Father," Obama mentions studying the Islamic 'Holy Book' the Quran and described the public school as "...a Muslim school."

Obama Wanted a Non-Christian Christmas

Fox News Radio / Dec 7, 2009 - According to Social Secretary Desiree Rogers, she reportedly told a gathering of former social secretaries that the Obamas did not intend on putting the Nativity scene on display - a longtime East Room tradition.

OBAMA BOWS Before a MUSLIM King

Fox News / Apr. 2009 - The O'Reilly Factor guest - Bridgette Gabriel, Founder of Act for America - an anti-terrorism group and author of the book, "They Must Be Stopped" commenting on Obama in Arabia,

"he did bow to the muslim king, while he did NOT do it to the British Queen of England, and by bowing he showed the world that I am subservient I bow down to you as a muslim king - something no other US President has done with Saudi Arabia. The Saudi King is his peer - he is subordinate in order to bow for him and this is exactly what the US Constitution."

Obama did - it sends the WRONG signal. It sent the message that Islam is superior to any other minister or king or president in the world - that an American president bowed to a muslim king. It also sent the message that terrorism and Jihadism is giving (it) the respect it should have on the world stage ..."

WHERE'S THE BIRTH CERTIFICATE?

AMERICA – The Joke is on YOU!

Kenyan Ambassador to the United States - Peter Ogego admitted on WRIF radio Detroit, Michigan that plans were underway by

the Kenyan government to build a national memorial at Coast Memorial Hospital in Mombasa - the site of Barry's birth. Even his wife Michelle Obama recently admitted that Kenya is his home country, "we took our trip to Africa and visited his home country in Kenya..." - **LGBT Delegate Luncheon, April 2010.**

The US Constitution requires the President to be a "Natural Born Citizen", which means not only do you have to be born within the United States, but, BOTH of your parents must be US citizens. *"Natural-born citizens, are those born in the country, of parents who are US citizens."* (The Constitution, Article 2, Section 1) If you didn't know -

Barry's muslim father was not a US citizen!

Obama's grandma confirms Kenyan birth

WorldNetDaily / 10/23/08 - The Pennsylvania Democrat who has sued Sen. Barack Obama demanding he prove his American citizenship -- and therefore qualification to run for president -- has confirmed he has a recording of a telephone call from the senator's paternal grandmother confirming his birth in Kenya.

But Philip J. Berg, a former deputy attorney general for Pennsylvania, told the Michael Savage talk radio program tonight that the document is forged and that he has a tape recording he will soon release. He said the telephone call was from Obama's paternal grandmother Sara Obama affirming she "was in the delivery room in Kenya when he was born Aug. 4, 1961." Berg said he's pursuing the issue because of "the most important document in the United States... the US Constitution."

Behold the following headline from 2004...

KENYAN-BORN Obama All Set for US Senate

Sunday, June 27, 2004

"Kenyan-born US Senate hopeful Barack Obama appeared set to take over the Illinois Senate seat after his main rival Jack Ryan dropped out of the race on Friday night amid a furor over lurid sex club allegations..." Obama's ILLEGAL!

Obama SEALED His Records with Exec. Order!

On January 21st, 2009, his FIRST day in office, "President Barack Obama" implemented and signed into law **Executive Order 13489** that states that only the records HE CHOOSES to be made public will be released. This was the subject that was at the absolute TOP of his agenda!! If this isn't proof that he is hiding something, I don't know what is. To read the unconstitutional dictatorial order for yourself, go to <http://edocket.access.gpo.gov/2009/pdf/E9-1712.pdf>

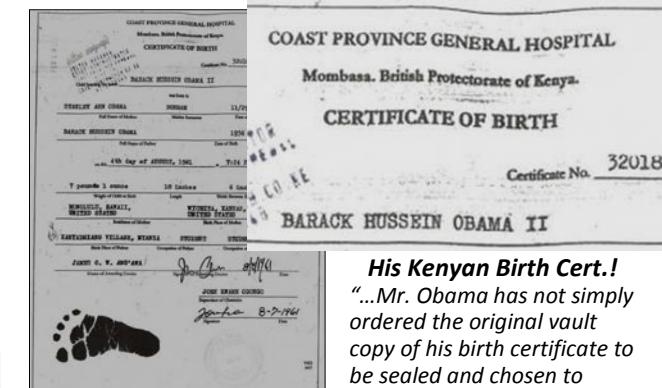

THE SMOKING SOCIAL SECURITY CARD

The Social Security # used by Obama was issued by the State of Connecticut.

Obama never resided there. This number shows him to be 119 years old! According to a lawsuit filed in Federal District Court in Columbus, Georgia, he might have used as many as 149 different addresses and 39 different social security numbers prior to assuming the Office of the President. Obama's grand-

mother, Madeline Dunham was a volunteer at the Oahu Circuit Probate Court and had access to the SS#s of deceased persons. Why does he hide his past? Why did Obama have to use a stolen social security number? ...**Because he is an illegal alien!**

His Kenyan Birth Cert.!
"...Mr. Obama has not simply ordered the original vault copy of his birth certificate to be sealed and chosen to retain three (3) law firms to

defend the various cases spending a reported \$800,000 (of whose money?). If Mr. Obama has nothing to hide, then why fight the more than 42 cases in federal courts alone ...Later it was reported that he studied at **Occidental College** in California [Los Angeles] under the name Barry Soetoro and there was an entry in the journal of the California assembly in regards to **grants given to 'foreign exchange students'**, one Barry Soetoro from Indonesia. Mr. Soetoro/Obama clearly defrauded the State Bar of Illinois and perjured himself for concealing his true identity. Anybody else would have been disbarred for this and forwarded to the district attorney for prosecution for perjury and fraud... Having been raised in the former Soviet Union, I am no stranger to horrors of communism, totalitarianism, civilian labor camp rule and I see clearly the downward path Mr. Obama is taking the U.S. ..." - **Open Letter to Congress by Dr. Orly Taitz, February 2009**

Beware: A radical socialist illegal alien has seized the reigns of absolute power and could enslave you just as the Pharaoh did to ancient Israel!
