## INTRODUCTION

***"We are in the early stages of World War III"***

- Former House Speaker Newt Gingrich,  
a member of the Defense Policy Board,  
as told to rightwing *Insight* magazine July 25<sup>th</sup>, 2006.

The terrorist attacks of 9/11 confronted Americans with the stark reality that an enemy named “radical Islam” views the United States as its bitter enemy and aggressively seeks to destroy America's institutions, its people, and its civilization. An Al Qaeda manifesto titled *“Why We Fight America,”* which was made public in June 2002, expresses radical Islam's agenda with abundant clarity:

“What happened to America [on 9/11] is something natural, an expected event for a country that uses terror, arrogant policy, and suppression against the nations and the peoples . . . America is the head of heresy in our modern world, and it leads an infidel democratic regime that is based upon separation of religion and state and on ruling the people by . . . laws that contradict the way of Allah. . . we have the right to kill 4 million Americans- 2 million of them children- and to exile twice as many and wound and cripple hundreds of thousands. Furthermore, it is our right to fight them with chemical and biological weapons . . .”

Such is the mindset underlying the terrorist war that has been declared against the “kingdom of the North” – the United States of “North” America. On Sept. 17, 2002, President George W. Bush spelled out the United States' response to this terror, or what has become known as America's: ***War on Terror...***

“Defending our Nation against its enemies is the first and fundamental commitment of the Federal Government. . . Enemies in the past needed great armies and great industrial capabilities to endanger America. Now, shadowy networks of individuals can bring great chaos and suffering to our shores for less than it costs to purchase a single tank. Terrorists are organized to penetrate open societies and to turn the power of modern technologies against us. To defeat this threat we must make use of every tool in our arsenal—military power, better homeland defenses, law enforcement, intelligence, and vigorous efforts to cut off terrorist financing. The war against terrorists of global reach is a global enterprise of uncertain duration. America will help nations that need our assistance in combating terror. And America will hold to account nations that are compromised by terror, including those who harbor terrorists—because the allies of terror are the enemies of civilization. The United States and countries cooperating with us must not allow the terrorists to develop new home bases. Together, we will seek to deny them sanctuary at every turn...The gravest danger our Nation faces lies at the crossroads of radicalism and technology. Our enemies have openly declared that they are seeking weapons of mass destruc-

tion, and evidence indicates that they are doing so with determination. The United States will not allow these efforts to succeed. We will build defenses against ballistic missiles and other means of delivery. We will cooperate with other nations to deny, contain, and curtail our enemies' efforts to acquire dangerous technologies. And, as a matter of common sense and self defense, America will act against such emerging threats before they are fully formed. We cannot defend America and our friends by hoping for the best. So we must be prepared to defeat our enemies' plans, using the best intelligence... History will judge harshly those who saw this coming danger but failed to act...

*In the New World (Order) we have entered,  
the only path to peace and security is the path of action (war)"*

(taken from [www.discoverthenetworks.org](http://www.discoverthenetworks.org))

The above words are affirmation of the official foreign policy for the "king of the north". The "leader of the free world" - President George W. Bush is fulfilling the prophecy. Expect more promises of "peace and safety" from this false messiah - *the Rider of the White Horse!* 9-11 was the first sign of the planned escalation of global terror in the "latter days" - the orchestrated and manufactured pretext for the "king of the north" to invade and conquer the rich oil resources of the Middle East. As Daniel's prophecy shows, this inevitably leads to nations rising in international conflict, the death of any rights and freedom in America transforming into global tyranny under a *planned* One World Government under a coming AntiMessiah! The Great Tribulation is now being revealed upon a rebellious world. It's the time of "wars and rumors of wars", unexpected terrorist acts, unexpected and surprise nu-clear detonations, global economic meltdown, World War III, famines and mysterious plagues which result in unprecedented death tolls. Four Horses are at your door!

This is "the time of the end" for the United States of America, as seen by the Prophet Daniel. You need to read this book, and you must pay close attention. Take advantage of every moment to learn of your Creator's bright future for His people. The Devil goes forth with much fury because he knows his time is short! (Rev.12: 12) Yahweh's plan is to deliver a remnant from the judgments prophesied upon a world of unrepentant sinners. If you do not believe in the prophecies of Yahweh, after reading this book - you will! Yahweh has given understanding to His witness-es that must be revealed to the world. The truth will require you to readjust your current "worldviews" in both religion and politics. The Kingdom of righteousness is about to be established on earth & Yahweh's Anointed One Yahsha the Meshiakh will bring this world the peace it has never known. If you desire to see that world, and partake in that Kingdom, then it's time you pray for true peace- NOT for war!

*Two Witness Ministries will easily prove that the First Seal of the Book of Revelation actually opened on 9-11-2001!*

At his very first National Security Council meeting, President George W. Bush stunned his first Secretary of State, Colin Powell, by REJECTING any effort to revive the Israeli-Palestinian peace process. When Powell warned that "the consequences of that could be dire, especially for the Palestinians," Bush snapped...

*"Sometimes a show for FORCE ... can really clarify things."*

### **General Clark: U.S. Plans to Attack Seven Muslim States**

MSNBC, Monday 25 September 2003

2004 Presidential hopeful General Wesley Clark said the White House devised a five-year plan after the 9/11 strikes to attack seven majority-Muslim countries. A former commander of NATO's forces in Europe, Clark claims he met a senior military officer in Washington in November 2001 who told him the Bush administration was planning to attack Iraq first before taking action against Syria, Lebanon, Libya, Iran, Somalia and Sudan.

The general's allegations surface in a new book, *The Clark Critique*, excerpts from which appear in the latest edition of the U.S. magazine *Newsweek*. Clark says after the 11 September 2001 attacks, many Bush administration officials seemed determined to move against Iraq, invoking the idea of state sponsorship of terrorism, *"even though there was no evidence of Iraqi sponsorship of 9/11 whatsoever"*.

Ousting Saddam Hussein promised concrete, visible action, the general writes, dismissing it as a "Cold War approach". Clark criticizes the plan to attack the seven states, saying it targeted the wrong countries, ignored the "real sources of terrorists", and failed to achieve "the greater force of international law" that would bring wider global support. He also condemns George Bush's notorious *Axis of Evil* speech made during his 2002 State of the Union address. *"There were no obvious connections between Iraq, Iran, and North Korea,"* says Clark.

*"He will honor the god of forces"*

### Saint George *The Dragon Slayer*

Eastern Orthodox icon of  
St. George slaying the dragon.

*“And they will turn away their ears from the truth,  
and will be turned to fables (legends and mythologies)”*  
– 2 Timothy 4:4

This tale begins with a dragon making its nest at a spring which provided a city-state with water. Consequently, the citizens had to temporarily remove the dragon from its nest in order to collect water. To do so, they enticed the dragon with a daily human sacrifice. The victim of the day was chosen by drawing lots. Eventually the "winner" of this lottery happened to be the local princess. The local monarch is occasionally depicted begging for her life, with no result. She is offered to the dragon, but at this point, a traveling George arrives. He faces the dragon, slays it and saves the princess. As the story goes, the grateful citizens then abandon their ancestral paganism and convert to the religion of their Saint George, that of course being Catholic Christianity.

(See [www.answers.com/topic/christian-mythology](http://www.answers.com/topic/christian-mythology))

After contemplating the possibility that the President of the United States could be fulfilling a major prophetic role in the Last Days as described in the prophecies of both Old and New Covenants of Scripture, almost instantly we stumbled across a very striking similarity between the Rider of Revelation's First Seal and the legendary hero of traditional Catholic fable – Saint George. As the “leader of the free world” leading the charge in the “War on Terror”, the President could see himself portraying the hero depicted in the legend.

**Webster's New World Dictionary**, Concise Edition, The Southwestern Company, Nashville, Tennessee, 1975,

**Fable** n., 1. a fictitious story meant to teach a moral lesson...  
2. myth or legend 3. a falsehood or fiction

**Legend** n., 1. a story handed down for generations and popularly believed to have a historical basis: myth 2. (a) a notable person much talked about in his own time, (b). the stories of exploits

The story of Saint George is fable because, as the definition goes, the story is fictitious and a falsehood. It is a fiction of exploits that has been handed down for generations. The legend of Saint George goes back almost 2,000 years.

## Traditional origin

**Saint George** (c. 275/280–April 23, 303) was a soldier of the Roman Empire and later became a Catholic martyr.

The traditional account of his life is considered to have originated in the 4th century. According to it, George was born to a Catholic family during the late 3rd century. His father was from Cappadocia and served as an officer of the Roman army. His mother was from Lydda, Palestine. She returned to her native city as a widow along with her young son, where she provided him with a respectable education.

The youth, it would seem, followed his father's example in joining the army soon after his coming of age. He proved to be a charismatic soldier and consequently rose quickly through the military ranks of the time. By his late twenties he had gained the titles of Tribunus (Tribune) and later Comes (Count). By that time George had been stationed in Nicomedia as a member of the personal guard attached to Roman Emperor Diocletian (reign 284–305). In 303, Diocletian issued an edict authorizing the systematic persecution of Nazarene Sabbatharians and Jews across the Empire. His caesar, Galerius, was supposedly

responsible for this decision and would continue the persecution during his own reign (305–311). It is believed that George was ordered to take part in the persecution but instead confessed to being a Catholic himself and criticized the imperial decision. An enraged Diocletian proceeded in ordering the torture of this apparent traitor and his execution. According to the tradition, after various tortures, George was executed by decapitation in front of Nicomedia's defensive wall on April 23, 303 ce. The witness of his suffering convinced Empress Alexandra and Athanasius, a pagan priest, to also become Catholics, and so they also joined George in martyrdom as consequence. His body was then returned to Lydda for burial, where Catholics soon came to honor George as a martyr.

## Veneration as a martyr

The validity of the above account is considered questionable at best. However, his veneration as a martyr appears to have started relatively early. A church in his honor was reportedly built in Lydda during the reign of Constantine I (reigned 306–337, sole emperor since 324). The church was destroyed in 1010 but was later rebuilt by the Crusaders. In 1191 and during the conflict known as the Third Crusade (1189–1192), the church was again destroyed by the forces of the Islamic Saladin, Sultan of the Ayyubid dynasty (reigned 1171–1193). A new church was erected in 1872 and is still standing today.

During the 4th century the veneration of George seems to have spread from Palestine to the rest of the Eastern Roman Empire. The 5th century would see his fame reach the Western Roman Empire as well. In 494, George was canonized as a saint by Pope Gelasius I (492–496 ce).

This Saint George was among those "...whose names are justly reverenced among men, but whose acts are known only to God." This statement would not prevent the creation of several differing fabulous accounts about his life, several of them filled with miracles. According to the *Catholic Encyclopedia*, the earliest text preserving fragments of George's highly miraculous narrative is in the *Acta Sanctorum* identified by Hippolyte Delehaye of the scholarly *Bollandists* to be a palimpsest of the 5th century, *'full beyond belief of extravagances and of quite incredible marvels'*.

This practice would continue for centuries. In the iconography of Eastern Orthodoxy, George has been depicted as a soldier since at least the 7th century. Since the 9th century another popular depiction surfaced: George on horseback as the apparent slayer of a "European dragon". This depiction was based on a popular legend of Christian mythology with George as its central figure: "George and the Dragon". (See, [www.answers.com/topic/saint-george](http://www.answers.com/topic/saint-george))

*"For we have not followed cunningly devised fables..." – 2 Kepha 1:16*

It should be noted that the following fable found its place in the folk religion of several regions of Europe and Asia Minor, so accounts may vary based on various local traditions.

## Saint George symbolizes salvation

The tale of Saint George draws upon numerous prophetic symbolisms borrowed from prophecies in both “Old” and “New” Covenants of Scripture:

1. **the Dragon:** symbolizes the arch adversary Satan whose role is to steal, murder and destroy the righteous and all mankind. (John 10:10; 1 Kepha (Peter) 5:8; Rev.12:9, 16-17; 20:2,10)

2. **the Princess:** symbolizes the people of Israel or the Bride of Messiah being held captive under the Dragon's power. (Micah 4:10; Proverbs 31; Isaiah 54:6; Revelation 12:14-17, 21:2,9)
3. **the White Horse:** symbolizes military strength and the power of war over the dark forces of evil, ie. the Dragon. (Joshua 11: 11:4; Isa-yah 43:17; Jer.8:6; Rev.6:2)
4. **the Rider:** symbolizes the Meshiakh or Savior who arrives to save His Bride (or Princess) while riding a white steed. (Rev.19:11)

Upon understanding the prophetic symbolism of this popular “christian” fable, we can gain the perspective as to how highly probable it is that President George W. Bush is the the acutal fulfillment of the Rider-King of Revelations's First Seal who is literally conquering nations for the sake of peace and democracy!

## CATHOLIC MYTHOLOGY COMING TO LIFE?

**Christian (Catholic) mythology** is a body of stories that explains or symbolizes Christian (Catholic) beliefs. A **Christian (Catholic) myth** is a religious story that Christians consider to have deep explanatory or symbolic significance. Christian (Catholic) mythology can also be taken to refer to the entire mythos surrounding the Christian religious system, including the various narratives of both the Old and New Covenants.

Christian (Catholic) mythology, without addressing any issues of core beliefs of Christianity (Catholicism), includes the body of legendary stories that have accumulated around New Covenant figures and elaborates upon the lives of the Saints, to emphasize, explain, or embody Christian beliefs. The legendary details of the career of Pontius Pilate are prime examples of Christian (Catholic) mythology. Many of the common themes in hagiographies are among the conventions of Catholic mythography.

These stories include many that do not come from canonical Christian (Catholic) texts and still do illustrate Christian (Catholic) themes. Other stories that are intended to foster Catholic values, or address specifically Catholic spiritual traditions, may be included in Catholic mythology. These stories are considered by some Christian (Catholic) journalists, theologians, and academics (see citations below) to constitute a body of *Christian mythology*. Stories which were once taken as true but are no longer accepted by most true believers are most easily identified as Catholic mythology, such as the tale of Saint Valentine, Saint Nicolas (Santa Claus) and Saint George.

## Saint George originates with ancient mythology

The account used to be considered factual but this belief has been progressively abandoned. On the other hand few doubt it contains religious symbolism but various interpretations have been suggested. George can be seen as representing Christianity. In both the Christianized *Physiologus* and the *Bestiaries* of the 9th through 13th centuries, the dragon is a consistent symbol of Satan.

Similarly, in traditional Judaic and early Christian allegory and exegesis, both the serpent (or dragon) and leviathan both represent Satan. George's victory over the dragon, therefore, has been read allegorically as the victory of Christianity over evil. Likewise, we see the "Christian" President George W. Bush, in the name of peace and safety, riding the White Horse conquering and defeating radical Islam along with its evil terrorist networks.

However, secular historians consider the roots of the story to be older than Christianity itself. They note that the origin of the saint is said to be partly from Cappadocia in Asia Minor, and that Asia Minor was among the earliest regions to adopt the popular veneration of the saint. The region had long venerated other religious figures. These historians deem it likely that certain elements of their ancient worship could have passed to their Catholic successors. Notable among these ancient deities was Sabazios, the Sky Father of the Phrygians and known as Sabazius to the Romans. This god was traditionally depicted riding on horseback. The iconic image of St. George on horseback trampling the serpent-dragon beneath him is considered to be similar to these pre"Christian" representations of Sabazios. So a number of secular historians have suggested that St. George has served as a "Christianized" version of this ancient pagan deity.

On the other hand, the tale of George and the Dragon is widely considered among secular historians to share a common theme with the ancient Greek myth of Ethiopian princess Andromeda and her savior and later husband Perseus, slayer of the gorgon Medusa. According to this myth, Perseus beheaded Medusa and George his Dragon in a shared theme of decapitation. Perseus' meeting with Andromeda was placed in her native Ethiopia. In several versions, George meets his Dragon in Libya (North Africa west of Egypt). Both locales can be interpreted to represent distant kingdoms of magic. The saving of the king's daughter is another shared theme as is the reward - bargain exacted by the

respective hero of the stories: Possession of the princess for Perseus and the mass baptism of the king's subjects for Saint George.

The **St George's Cross**, a red cross on a white background, is the national flag of England and was adopted for the uniform of English soldiers during the military expeditions by European powers to recapture the Holy Land from Muslims (Crusades of the eleventh, twelfth and thirteenth centuries), and on or about 1277 it officially became the national flag of England. (This "Crusader" theme will become a dominant topic as we continue to examine the facts surrounding the "War on *Islamic Terror*".) After the personal union of England with Scotland a British Flag was created in 1606, initially for maritime display; however, the flag of England (as opposed to the United Kingdom) remains St George's Cross, and continues to be used when showing allegiance to England alone; primarily nowadays at events such as international football and rugby union competitions.

Saint George is the PATRON SAINT of England, as well as various other countries and regions. The Saint George Cross is also the symbol of Milan, Genoa, Freiburg and Montreal; and used, for example, in the flag of the city of Barcelona in Spain, and it appears on the flag of Georgia (Russia). The Lega Nord, a popular Italian political party campaigning for the independence of Northern Italy, also uses the St George Cross as an official symbol.

The flag of St George should not be confused with the flag of the Red Cross. The flag of St George has a red cross which reaches from edge to edge as distinct from the Red Cross (Catholic organization) flag which does not.

### **CATHOLIC ARTISTS REINFORCE THE ROMANTIC MYTH**

For centuries, the hero of Saint George has been kept alive by artists who reinforced the myth in fabulous paintings and murals. Most murals contain all four critical elements of the fable: the princess, the dragon, and the warrior/savior on the white horse. Christians can now make the comparison between “Christian” President George W. Bush – the Commander in Chief of the United States Armed Forces - *with this ancient legend of St. George the dragon slayer!*

*The First Consul crossing the Alps  
at the Grand-Saint-Bernard pass*

On display at the  
Musée National du Château de Malmaison (France)

Without a doubt the most famous painting of the Napoleonic legend. David here exalts what was in fact quite a prosaic reality, namely that Napoleon crossed the pass riding a donkey, wearing not a magnificent cloak but a simple grey greatcoat!

A propaganda masterpiece, the work puts Napoleon on a par with the conquerors of antiquity, namely Hannibal and Charlemagne, whose names appear graven in the foreground rocks. The complete personification of the Romantic hero, the First Consul triumphs on a rearing white charger in a diagonal composition, the very image of irresistible rise. Propagandists know the power of salvation in the image of the White Horse, due to its Messianic and prophetic foundation. This sets up the audience to expect salvation - not defeat!

***The Vision of Constantine, by Bernini in 1670.***

As part of the Scala Regia in the Vatican, Bernini represented the famous vision of the pagan Roman Emperor Constantine before the Battle of Milvian Bridge on "White Horse" when he saw in the heavens a flaming CROSS and the message  
*In hoc signo vinces* (By this sign conquer).

**Pegasus, the winged "White Horse" of the Greek god Hercules**

Could George W. Bush be fulfilling a predicted and staged “messianic” role that was prophesied nearly 2000 years ago by the Savior Himself, as well as seen by the Prophet Daniel? It would be an injustice to mankind if this possibility wasn’t presented in an objective manner. Upon considering the ramifications in the validity of this prophetic interpretation, it brings the skeptic to the inevitable conclusion: we are seeing and experiencing the fulfillment of the prophecies for the Last Days. For atheists and agnostics, this is your opportunity to reassess your worldview, and for Christians, Muslims and Jews, this is your opportunity to reassess your religious assumptions concerning “holy war”. According to the book of Revelation, all mankind, all religions, all classes and races of people will feel the pain of World War III and the Great Tribulation when at least 1/4<sup>th</sup> of earth’s population or 1.5 billion people perish under the hooves of the Four Horses of the Apocalypse. These horrifying events are preceded by the false messiah who rides atop the prophetic White Horse!

Although Catholic Christians in every country have their own unique version, St. George is commonly considered a protector during times of evil. Since the historic tragedy of September 11<sup>th</sup> 2001 that “pearl-harbor style attack” upon New York and Washington DC, the prevailing foreign policy of United States President Bush has been the “War on Terror”. This policy has included the enforcement of “peace and safety” around the world within the framework and principles of democracy, especially upon the oil-rich countries of the Middle East. From watching mainstream media, US politicians and government officials, as well as ranting televangelists such as John Hagee from San Antonio, it appears that the war against “Islamic terror” is the new threat to global peace and order, just as Red Communism was the ever-constant threat to civilization during the “Cold War”. Americans were taught to “fear” then, and Americans and the world are taught to “fear” now. This has been a classic mind-control tool of the Elite-controlled corporate media who market to justify engagement in foreign wars. This secures profits for the Elite as well as consolidation of natural resources for global domination and control over men’s souls.

The Elite-controlled media tells us that radical Islamic terrorists have *plans of “destroying western christian civilization”* as we know it. This fear causes the citizenry to look for salvation in *the Beast* – to give worship and blind obedience to the militarized “roman” government as described in the prophecy. Those reaping the benefits of war are always the Elite criminals in government “service” and the mega corporations they control. With their “War on Terror” agenda, there is no end to war in sight. When will the sheeple realize that evil can never be eradicated with just guns and bullets, as

*“we do not wrestle (war) against flesh and blood...*

*but against spiritual forces of the evil one... ” – Ephesians 6:12a*

The “War on Terror” will only bring fear, paranoia, loss of rights and an iron-fisted police state reminiscent of Communist Russia or Nazi Germany. We are witnessing the rise of the police state Beast since the passage of Patriot Acts I & II, the Homeland Security Act, the Military Commissions Act of 2006, and the John Warner Defense Authorization Act of 2007. Beware, this Rider of the White Horse does not bring salvation from terrorists. The propaganda is to portray Bush as a type of “messiah” in order to achieve the European Union’s agenda of conquering the Middle Eastern nations that are rich in strategic oil supplies. The Rider of the White Horse must market and advertise his wars as a moral and patriotic duty, for again, he must portray the “savior” just as in the myth of Saint George! The real reason behind the “War on Terror” will never be revealed by the controlled mainstream press. Who would have ever guessed that the United States of America would become the world’s greatest threat?

Prophecy compares the image of the “king” of the White Horse to a “messiah”, because this is how “Christians” see him, and WHY they support him. The “War on Terror” has been labeled by George W. Bush, as well as some of his cabinet members, as a “crusade”. This implies a religious war and another reason why George W. Bush appears to fulfill the role of the “Messianic” Rider/King of the White Horse of Revelation’s First Seal. All wars are marketed as a “moral duty” by governments on behalf of and for the sake of the “threatened citizenry”. But the facts of history show that they are conducted for the monetary benefit of an Elite ruling-class who lust for land, natural resources, slaves, power, control and domination. Just as Wall Street and Prescott Bush (George W. Bush’s grandfather) funded the rise of Hitler, the same money Elite are profiteering again in their “War on Terror”. Revelation also labels this bunch as “the rich men of the earth” and “the merchants of Babylon”. So, like all wars in the past, their new war must also be morally justified. The history books tell us that the *christian* United States “saved the world” in World War 1 and World War 2, but does the Rider of the White Horse – the President in the White House bring peace or does this “king of the north” initiate World War III?

As President George W. Bush Jr. threatens more “*wars and rumors of war*” upon numerous Islamic countries of the Middle East (all accused of training and funding radical terrorists, as well as developing WMD’s- weapons of mass destruction), fundamentalist Christians both Protestant and Catholic in America are rallied to his side. The gullible Church continues to be President George W. Bush’s most supportive political base, as they sing their Crusader hymn “*Onward Christian soldiers, marching out to war!*” Top US military generals are on record as saying that President Bush was chosen by “God” to battle the evil that was unleashed on 9-11. The US President believes he has the executive authority to command US military might to “save” the world. This is a “Messianic” mindset. For a man such as George W. Bush to think he can save the world is clinically psychotic, to say the least. With the amount of anti-

depressants he reportedly has been taking, his difficulty in speaking coherently, the numerous “tumbles” from his bike, and even substantiated rumors of his return to alcoholism, many psychologists are on record as questioning his sanity.

There are no political affiliations or ideological axes to grind in connection with the material and information offered within this book. We examine the myth, propaganda, actual quotes, policy papers, history, whistle-blower confessions, and more in this book. In the end, you can then decide for yourself if you believe that President George W. Bush is identified within the pages of “Bible prophecy”. Some will admit the possibility and some will laugh in scorn. That is ok. Nor have we offered this information to make a fool of President Bush, we feel he doesn’t need any help in that department. What we have offered in this book is an objective look at the possibility that the First Seal of Judgment was indeed opened on 9-11 as the Lamb of Yahweh in heaven – Yahsha the Meshiakh - was appointed and ordained to pronounce judgment in the Last Days upon the “kingdom of the north” (North America), the rebellious United Nations and the religious Whore of Babylon - that great false Church of Rome labeled as

*“Mystery Babylon the Great” - Revelation 17:5*

From the fable of Saint George, we can draw the comparisons that are obvious to the prophetic theme found in the First Seal of Revelation chapter 6. Salvation (whether genuine or not) is the common theme of most religious fables. The prophecies of the “Judeo-Christian Bible” are painted in colorful, animated, even frightening symbols, which is probably why so few want to venture into an intellectual study of Revelation. Yet, the frightening reality of the 9-11 terror attacks was good enough reason to begin examining the symbols within the First Seal. Saint George - the “Christian Crusader” saved the princess and her kingdom. In the “War on Terror”, is President George W. Bush going forth in his Messianic-style of militarism hoping to go down in history as a Savior? Many Christians, even US military generals are on record as believing the idea that Bush was chosen by “God” to save humanity. With this type of fundamentalist extremism for Bush, he has the opportunity to take political advantage of the myth. The fable of Saint George has brought to our attention these very SAME symbols and the very SAME “romantic” themes of a warrior rescuing the world from the forces of evil from atop his majestic white horse.

You are living at the end time of fulfilled prophecy! The White Horse and its Rider - King of Revelation Chapter 6 could be the Creator’s way of mocking this most popular fairytale of apostate pagan Christianity, for this Rider of the White Horse DOES NOT bring salvation to the world, but triggers the Great Tribulation and nuclear World War III. In other words...

## **“Hi Ho Silver!”**

### **The Lone Ranger atop his “White Horse” Silver**

From ancient mythology, cultural icons, national symbols, and even the Prophetic Scriptures, we see the White Horse and its Rider clearly linked to the powerful concept of salvation and deliverance from evil.

*Just WHO IS the Rider of the White Horse  
found under the First Seal of The Revelation?*

### **The Purpose of Prophecy** *That you might be spared!*

*“Even from the beginning I have declared it to you;  
Before it came to pass I proclaimed it to you.”*  
- Isaiah 48:5

Yahweh has clearly expressed and codified His Prophecy through His Prophets. His Prophecies are contained within both “Old” and “New” Covenants of Scripture - from Genesis to Revelation recognized as “the Bible”. These inspired prophetic Scriptures continue to prove to be the most accurate and dependable instruction manual ever written for mankind! It’s the only book that has ever expressed the true love which the Creator Yahweh has for His creation and all mankind. No other “holy book” can make that claim! In fact, the “Bible” remains the number one bestseller on earth – yet the only best seller hardly anyone reads - much less understands! Even though millions take it to “church” every Sunday, they still don’t understand nor obey its commandments! This spiritual blindness must change, and it must change fast because the judgments contained in Revelation’s First Seal was unveiled on 9-11! The Messiah of Israel warned that in the last days the Christian masses would be in a state of spiritual slumber!

*“...But while the bridegroom delayed, they all slumbered and slept.”*  
- Matthew 25:5

## PROPHECY – A WARNING TO REPENT

*“Yahweh is not willing that any should perish, but that all should come to repentance.” – 2 Kepha 3:9*

In the beginning of the yr.2000 suspense thriller “Final Destination”, there is a high school French class who are boarding a trans-Atlantic flight to France for a two-week field trip. Upon recognizing various odd signs just before takeoff, the young man named Alex Browning has a premonition of the plane exploding in mid-air shortly after lift off.

After the terrifying vision, Alex immediately screams for everyone to *“get off the plane – it’s going to explode!”* After a scuffle, Alex and about seven classmates are escorted off the plane by authorities. A few minutes after the plane departs, it is seen EXPLODING in mid-air! Stunned and in shock – Alex and the other “survivors” are taken to a waiting room to be questioned by investigators.

They are staring at Alex in fear when their teacher asks him, *“Did any survive?”* Alex responds, *“How am I supposed to know! You all are looking at me as if I caused it!”* This response directly relates to the point of this chapter. Instead of thanking Alex for having spared their lives, they are blaming him for plotting the destruction of an airliner full of fellow classmates. The Prophets of Yahweh were also given premonitions of the last days in which we are NOW living. Due to man’s sins, Yahweh saw mankinds “final destination”. The prophecies of Yahweh are given so that you can be SPARED!

*“Even from the beginning I have declared it to you;  
Before it came to pass I proclaimed it to you.”*  
- Isaiah 48:5

Prophecy is Yahweh’s way of saying, “I told you so!” This isn’t meant to be sarcastic or mocking in any way. Yahweh tells us beforehand of the bleak and “terror-filled” future for mankind for having rejected His instructions and guidance in true love, true health, true justice, and true righteousness. The Creator of all time wants mankind to know what the future will be for those who CHOOSE Yahweh’s righteous way as well as what the future will be for those who CHOOSE the path of wickedness. This is why Yahweh tells us the future!

*“There is a way that seems right unto a man,  
but the end thereof are the ways of death.” – Proverbs 14:12*

This is a great blessing for all who have “ears to hear”! The future was recorded for all mankind thousands of years ago. Therefore, the wicked, who participate in wickedness, will have no excuse for their wicked deeds. Their judgment and sentence to eternal death will not be unjustified. Prophecy is the loving expression of Yahweh in the hope that someone out there will LISTEN and turn from their wicked ways. The Prophet Ezekiel recorded the loving words of Yahweh,

*“As surely as I live, says Yahweh, I take no pleasure in the death of the wicked, but rather that the wicked would turn from his way, and live! Turn, turn from your evil ways! For why will you die, O house of Israel?”* – Ezekiel 33:11

*“Come now, let us reason together, says Yahweh. Though your sins be as scarlet, they will be white as snow, though they are red as crimson, they will be (white) as wool.”* - Isaiah 1:18

Yahweh’s unconditional love for mankind continues to motivate Him to send messengers to America to warn of the deadly consequences for sin. (Romans 6:23) All this time, Yahweh the Great Shepherd is looking for you! (Psalm 23)

*“And Yahsha spoke this parable to them saying, What man of you, having a hundred sheep, if he loses one of them, does not leave the ninety-nine in the wilderness, and go after that lost one until he has found it? And when he has found it, he lays it on his shoulders, rejoicing!”* - Luke 15:4-5

## LIVING IN THE AGE OF BLAME

Repentance is needed now more than ever! Yet, even after thousands of years of war, bloodshed and sorrow, the arrogant nature of mankind refuses to learn anything from history, continuing to believe that he’s got everything “figured-out” and “under control”. This is the mindset of a “god”, much like those of Greek mythology. The Meshiakh acknowledged that men desire and claim to be “gods” (Yahchanan/John 10:34; Ps.82:6) Yet, when sudden or unexpected disaster strikes, why is it always blamed on the Creator? How logical is that when they have already rejected the concept of an Intelligent and loving Designer. You can’t have it both ways! How can a person deny Yahweh and yet blame Yahweh at the same time? Do you accept this contradiction?

Have you made the Creator a convenient “whipping-boy” on which to cast blame for all your personal problems and/or natural disasters? Do you blame Yahweh for all the pain and suffering in the world? Many do. The earth remains under the curse of sin. This was NOT Yahweh’s doing! This was and remains the foolish path that mankind has chosen, even after the warning of 9-

11. If America would just stop and listen to Yahweh's prophets and accept the wisdom that was first given long ago, then America could avoid the severe consequences of judgment which she so richly deserves. Observe the formula: No transgression = No tribulation. This reality is based on the proverb of truth,

*“...A curse causeless will not come.” – Proverbs 26:2*

Yet, from the very beginning since the Garden of Eden, mankind has perfected the technique of shifting the blame for personal disobedience and rebellion onto others. (Genesis 3) Few will ever accept personal and moral responsibility for their actions and/or their inactions. Rooted in individual ego, pride and insecurity, self-worship and idolatry continue to be the repetitive error of every generation. Families and nations must unite in accepting righteousness.

Every generation has refused the Prophet's warnings to flee from their carnal stubbornness and wicked behavior including, specifically, the Christian traditions of pagan sun worship. The curses of war, famine, judgment, captivity and death have always been the natural consequence for transgressing Yahweh's Torah Laws (Romans 6:23). The history books clearly confirm this inter-generational cycle of sin to bondage. This cycle could be broken if people would heed the prophecies and repent to Yahweh! (See 2 Chronicles 7:14)

*“So do you have this thought, O man who judges those who do such things, then practices the same, that you will escape the judgment of Yahweh? Or do you despise the riches of His kindness, forbearance, and longsuffering; not realizing that Yahweh's kindness is meant to lead you to repentance? But according to your stubborn and impenitent mind you are storing up wrath for yourself in the day of Yahweh's wrath, then the righteous judgment of Yahweh will be revealed” – Romans 2:3-5*

Maybe we should stop fooling ourselves and consider that mankind doesn't really desire peace? You have to wonder. The strong still oppress the weak, the rich still rob from the poor. Religious “leaders” are still hypocrites!

*“Should I not avenge Myself on a nation such as this? says Yahweh”*

(See Jeremiah 5:26-29) When sin and evil – the breaking of Yahweh's Torah Laws (1 John 3:4) - is not eradicated, whole nations are taken over by the dark side (Mark 8:15; 1 Cor.5:6). No Empire can endure under the back-breaking burden of sin. Nations don't collapse by accident or by chance. America has only itself to blame; no excuses will be accepted.

*“...the nations which forget Yahweh shall perish.”*  
– Psalm 9:17

## WHY EMPIRES RISE AND FALL

*“We learn from history that we learn nothing from history.”*  
 - George Bernard Shaw

The history books are replete with the reasons why empires rise and fall. Historians call this the “life-cycle” of empires. The refrains that are often heard are: “It can’t happen here,” or “Our country is different.” But the reality is that nations are born and die just like individuals. Their longevity may exceed the average person’s lifespan. But the reality is that nations also die.

*“Whoever commits sin, transgresses also the Torah Law...”*  
 - 1 Yahchanan/John 3:4a

The decline of America (just as the decline of every other nation) is due to spiritual factors. The political, economic, and social problems we encounter are the symptoms of the spiritual deterioration of a nation. In a democracy, wicked men gain power when the majority are wicked. Just as there are spiritual principles that influence the life of an individual, so there are spiritual principles that govern the life of any nation of people. And though we may feel that these are somehow obscure and difficult to discern, in reality they are clearly visible to anyone willing to look at the record of history. Another lesson of history: *the public schools and colleges don’t teach the true lessons of history.*

Each of the great empires and civilizations of the world have passed through a series of stages from their birth to their decline & their predictable death. Historians agree and have listed these as the following ten stages:

- The first stage moves from bondage to spiritual faith.
- The second stage from spiritual faith to great courage.
- The third stage moves from great courage to freedom.
- The fourth stage moves from freedom to abundance.
- The fifth stage moves from abundance to selfishness.
- The sixth stage moves from selfishness to complacency.
- The seventh stage moves from complacency to apathy.
- The eighth stage moves from apathy to moral decay.
- The ninth stage moves from moral decay to dependence.
- And the tenth and last stage moves from dependence to bondage.

These are the ten stages through which the great civilizations have gone. Notice the progression from bondage to liberty back to bondage. The first generation throws off the shackles of bondage only to have a later generation through apathy and indifference allow itself to once again be enslaved. The numerous curses prophesied for America include her moral decay and bondage.

*“...moreover, all these curses will come upon you, and will pursue you, and will overtake you, until you are destroyed – because you did not obey the voice of Yahweh to keep His instructions and His statutes...”*

– Deuteronomy 28:45

The book of Judges shows that the nation of ancient Israel also passed through these same stages. Because the children of Israel turned away from Yahweh, the Creator was bound by Covenant to turn away from them. America has turned away from Yahweh to serve other gods. Unless true revival and reformation of the heart takes place with a 180 degree turn away from Rome's idolatrous system of pagan sun-worship, America will follow the path of all the other great empires. Egypt, Babylon, Greece, Central America and Rome are all testimonies to the cycle of human nature. There's nothing new under the “sun” so to speak! America has forgotten Yahweh for their gods of materialism...

*“Beware that you do not forget Yahweh your Abba, by not keeping His Torah demands, His judgments, and His statutes which I am giving you this day: or when you have eaten and are satisfied, and have built beautiful houses and live in them; and when your herds and your flocks grow large, and your silver and gold increases, and all you have is multiplied, Then you will become PROUD and you will forget Yahweh”*

– Deuteronomy 8:12-14

At this time in her history, America has experienced all the phases to the present stage of economic and monetary dependency on all things foreign. The unfolding judgments, as seen in your newspaper headlines include: endless war, massive trade imbalances, a worthless dollar, the off-shoring of both manufacturing and service jobs, broken public education, rampant immorality, pagan & new age religions, hedonism, and a plethora of other mind-slave systems are in place in America with no real repentance in sight – not even among leaders of the Church. Everyone still calls for “political” solutions!

Many political prisoners from oppressive foreign countries are on record as saying that “America has lost its way” and that the United States is not the haven of freedom which political prisoners and asylum seekers once looked to in the past. Due to the War on Terror and the vast number of detention and torture camps, America is known as the worst violator of human rights. The Prophets understood the reasons for national decline, and why they cry out...

*“Cry aloud, spare not, lift up your voice like a trumpet,  
and show My people their transgressions,  
and the house of Yaaqob their sins.” – Isaiah 58:1*

## DON'T KILL THE MESSENGER

We've all heard the truism, *“don't kill the messenger!”* History shows that false leaders always suppress the truth of prophecy (Isayah 59:15) and those brave enough to speak out and demand repentance are persecuted and even put to death! The Messiah came preaching repentance and the Kingdom of Yahweh and was put to death! The Messiah knew years in advance that this was His prophesied end. But Yahsha the Meshiakh also knew, from prophecy, that, after three days and three nights, He would rise from the grave! This also came true!

The prophet's deep love for ancient Israel forced them to confront the leaders and the people of their evil ways. (Jeremiah 23:38-40) As a result, Yahweh's prophets were considered a nuisance and a burden. Their warnings were often ignored. Sometimes the prophets were jailed, dropped down deep wells, beheaded, or even nailed to a tree! But this was the risk they were willing to take, because their life had no meaning if their silence meant the death of their families and their nation. The prophet's lips go numb having to constantly blow the warning trumpet of the dangers that lie ahead. Of course, it's an exhausting and a thankless duty. Yet, Yahweh's prophets will always cry-out in hopes of saving a remnant who will heed the message of hope and mercy! So try to appreciate what the messengers of Yahweh are doing for you.

Do you have that kind of love? Very few do anymore. In the last days of the self-righteous and sin-sick nation of America, this was prophesied,

*“And because iniquity will abound,  
the love of the many will grow cold.” – Matthew 24:12*

Again, Prophecy is Yahweh's warning in advance! The prophecies of Daniel were given over 2,500 years ago, and the prophecies in the Revelation were given in the first century less than 2,000 years ago! The Revelation is for all mankind – but why will only a remnant take heed and believe? That I can't answer. But YOU reading this book no longer have to be clueless about where mankind is in the time-line of world history and salvation! HalleluYah! Simply behold the prophetic signs of the times! Even a weatherman should understand,

*“O you hypocrites! You can discern the weather signs in the sky, but can you not discern the (prophetic) signs of the times?” – Matthew 16:3*

We can see the signs of the last days all around us! But is there much hope that the warnings in this book will bring national revival and repentance? No, not really. Prophecy shows that America will not repent, except a remnant.

*“Isayah also cries out concerning Israel;  
Though the number of the children of Israel be as the sand of the sea,  
only a REMNANT will be saved.” – Romans 9:27*

Why so few? Ever since the beginning, it has always been only a small number! Remember that one little lamb that was found by the shepherd? Yahweh's warnings always reach the ears and hearts of His special little flock!

### **YAHWEH SO LOVED THE WORLD...**

*“Heaven’s messengers proclaim the majesty of Yahweh,  
and the expanse of the sky declares the works of His hands.”*  
- Psalms 19:1

Everyday of our lives, we see Yahweh's Laws, His creation, His wisdom, and His handiwork all around us! The universe has been beautifully designed and constructed to eradicate all that is negative and contrary to the unchanging Laws of Yahweh. That which breaks the Law of Yahweh results in death (Romans 6:23) Those who are in harmony with the Law of Yahweh live forever! Prophecy gives hope to the righteous that transgressors will eventually be eradicated according to Yahweh's plan. Yahweh like the loving Daddy tries to guide mankind down the righteous path to prevent His children from driving over the cliff and killing themselves. Just as there are rules to the road, there are, more importantly, rules for happiness, justice and peace. Prophecy is the gift of selfless love - the true essence and character of Yahweh the Creator.

*“Yahweh is love.” – 1 Yahchanan/John 4:8*

Abba Yahweh doesn't just Covenant with the Jewish and/or Israelite people, Yahweh's love has always extended to all peoples of all nations, languages, tribes and tongues. For it is written and the Scripture says...

*“For Yahweh so loved the world...” – Yahchanan/John 3:16a*

Yahweh has always loved His Creation. In contrast to Jewish Talmudic teaching, Yahweh is NOT a racist who discriminates with differing standards for different people. The Creator's gift of freewill sets mankind apart from all other creatures. Therefore, Yahweh has ONE code of law for all nations, languages, tribes and tongues (Lev.24:22; Numb.15:16). Yahweh's Love for mankind manifested in His parental instructions to mankind based in His everlasting and unchanging lovingkindness. This truth the Meshiakh understood well, and said,

*“One of the Pharisees, a lawyer, asked Him a question to try Him saying, Rabbi/Teacher, what is the greatest commandment in the*

*Torah? Yahsha said to him: You must LOVE Yahweh your Abba with all your heart, and with all your soul, and will all your might. This is the first and greatest instruction. And the second is like it: You shall LOVE your brother as yourself. On THESE TWO commandments hang ALL THE TORAH LAW and THE PROPHETS” – Matthew 22:35-40*

Obeying His Torah Law, as did the Savior and His righteous Apostles, leads to the inheritance of eternal life – a gift open to all who will heed the prophecy given by the Anointed of Israel – Yahsha h’Meshikah! (Rev.19:10) The time of understanding the First Seal is at hand! As Yahweh is love His prophetic plan included His Son - the perfect man Yahsha h’Meshiakh, who, in spite of the shame and humiliation, volunteered to be murdered by the hands of “church and state” to bear the transgressions of many (Ps.2) The Prophet said,

*“He was wounded for our transgressions, bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed. All we like sheep have gone astray; we have turned everyone to his own way; and Yahweh has laid upon Him the iniquity of us all.” – Isayah 53:12*

Yahsha the Meshiakh volunteered to be the Lamb of Yahweh (John 1:29) This rare form of love allowed Him to see the future and the righteous judgment upon **UNREPENTANT** sinners. The ancient Prophets, such as Ezekiel, saw in visions just like Daniel the inevitable future – the “handwriting on the wall” - and tried to **WARN** the nation of Israel and its political leaders of their dangerous course.

*“Son of man, I have made you a watchman for the house of Israel. Therefore, hear the word from My mouth, and give them warning from Me.” – Ezekiel 3:17*

Without this deep love shining within the Prophet, no warning would even be heard. Have you ever received warning of impending danger, such as from a hot stove, a live electrical wire, an icy walkway, or an approaching tornado or hurricane? Isn’t this why the local weatherman seeks the latest technology that will help provide more time and advanced indication of approaching tornados?...in order to save lives? Everyday our lives are filled with warnings. This is love. The love of Yahweh is found in His prophecies - HalleluYahweh! They warn of the great pain and sorrow that surely results from ignoring the impending danger. The gates of death and hell cannot prevail against the truth of Yahweh’s mercy bestowed upon those who heed the prophecy of Revelation’s Seven Seals! Let Yahweh save you! Here is a promised blessing for you...

*“Blessed is he who reads, and those who hear the words of this prophecy, and keep those things which are written in it; for THE TIME IS AT HAND.” – Revelation 1:3*

When we heed the Prophet's warning and turn from our wicked ways, we are spared untold pain and suffering, including the suffering to come under the Four Horses of War. This is the loving purpose for prophecy!

*"Yahweh is not slack concerning His promise...  
but is longsuffering toward us, not willing that any should perish,  
but that all should come to repentance." – 2 Kepha 3:9*

This book was inspired from heaven because Yahweh has always loved you! And Yahweh wants so dearly for you to understand these things so as to be truly blessed! In the Last Days, Yahweh sends His Two Witnesses to share that love and warn you to flee the judgments to come! Sparing you from the judgment set for the wicked – now that's love!

Yahweh sent the Israelite prophet Jonah (Yahnah) to the Gentiles of Ninevah to warn them of heaven's justice against their sins of pagan idolatry. Jonah had some racist tendencies, as do many today, and didn't agree that the Gentiles should be given the opportunity to repent. Jonah tried to flee from Yahweh's great commission, but this attempt failed. After learning his lesson and the great love which Yahweh had for the Gentiles of that Babylonian city, Jonah finally complied and went to Ninevah. The Gentiles of Ninevah were quick to repent and fast at the warning of impending doom spoken through Yahweh's reluctant prophet. (Jonah 3:7-10) Abraham and Lot were given the prophecy of Sodom and Gomorrah's fiery destruction. They believed and were spared. This is the purpose of prophecy! That you might be spared! Only the Love of Yahweh has the power to transform a man or woman into a devoted servant of Yahweh. This is the love that burns within the hearts of Two Witness Ministries. This is the vision we want to share! This is the great news!

Unlike the stubborn Israelite people, there are many instances throughout the Hebrew Scriptures which show the Gentiles to be more accepting of the love and mercy from Yahweh that was brought through His servants:

1. Riiyah (Ruth) the Moabitess: *"But Riiyah said; Do not urge me to leave you, to turn back from following you. For wherever you go, I will go, and wherever you lodge, I will lodge. Your people will become my people; your Mighty One will become my mighty one."* - Ruth 1:16
2. the Phoenician widow of Zarephath: 1 Kings 17; Luke 4:26
3. Naaman the Syrian Commander healed of leprosy thru Eliyah the Prophet; 2 Kings 5:1-15; Luke 4:27
4. the 120,000 people of the city of Ninevah: Yahnah/Jonah 3
5. king Nebuchadnezzar of Babylon: Daniel 4:34-37
6. king Darius the Mede of the kingdom of Persia: Daniel 6
7. the Roman centurion accepts the Savior's healing words: Matt. 8:5-13

- the demon-possessed Gentile of the Galilee region of Gadarenes was miraculously delivered through the Hebrew Anointed One-Yahsha h'Meshiakh: Luke 8:26-38

For those “at the time of the end” or the “end of the age”, such real stories of real repentance were recorded for all mankind to admonish and give wisdom.

*“Now all these things took place as examples, and they were written for our admonition, on whom the end of the ages have come.”*

– 1 Corinthians 10:11

Yet, as NO repentance has been called for by the Church nor by Bush, this could be the very reason why the First Seal was opened on 9-11. Just as in the past, there will be Gentiles today who accept the warnings of Yahweh’s prophecies while there will be physical Israelites and Jews who reject them. Yet, Yahweh is no respecter of persons, but has extended His love to all mankind through His Son: Yahsha h’Meshiakh. This same Meshiakh was rejected by Israel two thousand years ago, and this same Yahsha, who has the authority and power to forgive transgressions, remains despised and rejected today! (Isaiah 53:3) According to Yahweh’s prophetic plan, Yahsha h’Meshiakh has patiently and mercifully waited for 2,000 years to allow mankind to turn from his wicked ways. That wait is now over! The prophecies that were recorded long ago are now being unveiled to both the wicked and the righteous few of these last days!

*“For whom Yahweh loves, He chastens...”* – Hebrews 12:6

It’s hard for the proud and arrogant in America to accept the fact that their god has forsaken them. With the tragedy of 9-11, many have asked, *“How could God allow this to happen to His beloved country America?”* Those flag-waving patriots and Christians of the deceived Church will always deny that heaven’s judgments for sin could ever befall their “divine democracy” their “kingdom of God” which they have established for themselves. As retired Army Captain Joyce Riley said in 2005 on her daily radio program The Power Hour, *“I don’t think He would judge this nation...”* A statement of incredible arrogance and denial, to say the least, from someone who has dedicated herself to warning America of the enemies and traitors within the US government.

*“If judgment first begins with us, what will be the end of those who do not obey the message of Yahweh?”* – 1 Kepha 4:17b

Yes, it’s just too difficult for some Christians to accept that judgment must begin with those who claim to carry the banner of freedom and righteousness. Such hypocrisy is always punished. As prophesied, individual and national sins bring “TERROR”-fying consequences...

*“And if ye shall despise my statutes...so that you will not do all my commandments, but that you break my covenant; I also will do this unto you; I will even appoint over you TERROR-ism.” – Leviticus 26:15*

Is waging pre-emptive WAR against sovereign nations in retaliation for suspected “terrorist acts” the *righteous thing* to do? Is that what the Savior would do? I have heard some people ask the question: *Who would Jesus bomb?* If Islamic nations are the majority targets for conquest, wouldn’t that qualify as a type of religious Crusade? Has the War on Terror become a religious war? How can bombing foreign countries and shedding the blood of innocent Muslims bring “absolution” for America’s flagrant national sins of torture, pagan idolatry, sodomizing priests, adulterous pastors, rampant divorce, sodomy, illegitimate out-of-wedlock births, including government-supported human sacrifices of millions of innocent pre-born children murdered within the demonic abortion mills across the United States of America and the world? Their innocent blood cries out from the ground for YHWH’s vengeance! Shouldn’t such abominations be balanced on the scales of Yahweh’s justice? Shouldn’t the stain of sin upon America’s garments be cleansed with the righteous judgment of Yahweh?

## THE PROPHECIES GIVEN TO DANIEL

*“Go thy way Daniel: for the words of the prophecy are closed up and SEALED til the Time of the End.” – Daniel 12:9*

Daniel was a celebrated prophet and even minister in the court of Babylon, whose life and prophecies are contained in the book bearing his name. Nothing is known of his parentage, or family, but he appears to have been of royal or noble descent and was possessed with considerable personal endowments. (Daniel 1:3-4) He was taken to Babylon while yet a boy, together with three other Hebrew youths of rank at the first deportation of the people of Yahdah (Judah) in the fourth year of Jehoiakim (Yahyakim) 604 bce.

*“As for these four young men, Yahweh gave them knowledge and skill in all learning and wisdom; and Daniel had understanding in all prophetic visions and dreams.” – Daniel 1:17*

After some years of captivity, Daniel had the opportunity to exercise His peculiar gift of interpreting the dream of the king Nebuchadnezzar – not only recalling the forgotten vision of the king, but also revealing its meaning (Dan.2: 14). As a reward, he was made “ruler over the whole province of Babylon” and “chief of the governors over all the wise men of Babylon.” (2:48)

Later, Daniel interpreted another of Nebuchadnezzar's dreams, found in Daniel chapter 4.

In the first year of Belshazzar of Babylon, about 555 bce (7:1), Daniel was both alarmed and comforted by a remarkable vision followed by another just two years later (ch.8), which disclosed to him the future course of events and the ultimate downfall of the most powerful empires in the history of the world. Daniel interpreted the "handwriting on the wall" which disturbed the feast of Belshazzar (5:10-28), and notwithstanding his bold denunciation of the king, the latter appointed him "third ruler of the kingdom" (5:29).

After the fall of Babylon (as seen by Daniel in the vision of prophecy) Darius the Medo-Persian ascended the throne and made Daniel the first of the "three presidents" of the empire (6:2). At the ascension of Cyrus, he still retained his prosperity (6:28). In the third year of Cyrus, Daniel had a series of visions, in which he was informed of the minutest details respecting the future history and sufferings of his nation to the period of their true redemption thru the Anointed Meshiakh (Daniel chapter 11 thru 12:3).

After Daniel's most detailed prophecy (ch.11) of the ascension of the Greek Empire under Alexander the Great which was then divided into four kingdoms after Alexander's death, the Prophet closes the prophecy of the Greek Empire with verse 39. The following verse jumps into the future to "the time of the end". This is most important for you to understand. Daniel 11:40 gives us specific prophecy regarding a "king of the north" and a "king of the south" within the timeframe of the "latter days". Again, verse 40 does NOT take place during the days of the ancient Greek Empire, but clearly "at the time of the end." From Daniel 11:40 through Daniel 12:3 we see prophetic events that can only be described as the Great Tribulation which culminates in the Resurrection of the dead to eternal life.

Just as experienced by the Prophets Yeremiyah and Ezekiel, Daniel also became physically sick from the visions he received from heaven of the future tribulations of Israel for transgressing Yahweh's Covenant (Dan.10:8-19)...

*“...I saw this great vision, and no strength remained in me. My vigor was turned into corruption in me, and I retained no strength...”*

*Now I (Gabriel) have come to make you understand what will befall your people in the latter days; for the vision is for many days YET TO COME” v.8,14*

What is important for you to realize is that the understanding and interpretation of the geo-political events that take place in Daniel 11:40 through 12:3 was actually SEALED "until the time of the end" (v.4). Not even Daniel understood the prophecy of 9-11. He asks for clarity, but none was given at that time.

*“So I heard, but I did NOT understand. Then I said: O' my ruler, what will be the end of these things? But he said, Go your way, Daniel, for the words (of the prophecy) are closed up and*

SEALED until the time of the end - Daniel 12:8-9

Therefore, we see that NOT even Daniel was given the interpretation of this vision, even though Yahweh had given him this gift. It was not Yahweh's will for Daniel to know and explain it to us. If something is "sealed" then that means it is closed! WHEN is it opened?? WHEN is the understanding of the latter day prophecy opened? WHEN is it RE-opened and NO LONGER SEALED??...

*"AT THE TIME OF THE END!"*

The reason why we keep repeating this point is for you to understand that this specific "time" is contained back in verse 40! Verse 40 of Daniel chapter 11 takes place... *"at the time of the end"*. Verse 40 is the event that opens the First Seal of Revelation and identifies certain key prophetic players such as "the king of the north" and the "king of the south". Verse 40 tells us that an ATTACK takes place upon the "king/dom of the north" – a provocation of war by "the king of the south". We were told this was "Islamic Terror"!

*This results to a Middle East invasion by the KING OF THE NORTH!!*

## THE LAMB "REVEALS" THE VISIONS OF DANIEL

*"The Revelation of Yahsha h'Meshiakh, which Yahweh gave to Him, to show His servants things which must shortly come to pass, and He sent and signified it through His malak to His servant Yahchanan/John."*

– Revelation 1:1

The Book of Revelation was delivered by the resurrected Meshiakh Himself to His faithful Apostle Yahchanan/John who was imprisoned on the Island of Patmos in the Mediterranean Sea. Yahchanan was troubled at the graphic visions of The Revelation for neither did he understand the prophecies he was seeing and then recording on parchment. This last book of the "New Covenant" tells of the final World War and the Great Tribulation to befall Israel/America just years prior to the Meshiakh's return. As Daniel's visions were closed to the understanding, Revelation fills in those gaps and expands on with more detail (pieces of the puzzle) Daniel's SEALED prophecy. After the introduction in Ch.1 and the Savior's personal encouragement to the Messianic congregations throughout the world in Ch.2-3, we read of a heavenly being asking the all important question in Chapter 5, "Who is worthy..."

*"And I saw in the right hand of Him (YHWH) Who sat on the throne, a scroll written inside and on the back, sealed with seven seals. And I saw a mighty malak proclaiming with a loud voice: Who is worthy to open the scroll, and to release its seals? And no one in heaven, nor in earth, neither under the earth was able to open the scroll, neither to*

*look at it. And I wept bitterly, because no one was found worthy to open and to read the scroll, neither to look upon it.* "- Revelation 5:1-4

Weeping in heaven took place! Without this most unique prophetic scroll being opened and read, there could be NO judgment upon the wicked, nor the hope for the majestic return of the Kingdom of Yahweh on earth! WHO, therefore, is worthy to bring judgment to the wicked and fulfill the Plan of Redemption for planet earth and Yahweh's people? Verse 2 is a call for the Meshiakh, of course! No one in heaven was ever found worthy to open and read this SEALED scroll of Judgment because NO ONE except the man Yahsha the Meshiakh "the Lamb of Yahweh" has overcome perfectly the sinful temptations and cunning devices of the Arch Enemy—Satan the Devil (Rev.1:5). All of heaven had been waiting in great anticipation for the SUCCESS of the Son of Yahweh! Everything around Yahweh's throne wants the Plan of Salvation for mankind to be completed! Once the Lamb of Yahweh was declared as the ONE WORTHY to open and read the Seven Seals, we see great rejoicing in heaven!

*"But one of the elders said to me: Do not weep! Behold, the Lion of the Tribe of Yahdah, the Root of Dode, has overcome to open the scroll and to release its seven seals...And I looked and I heard the voice of many malakim surrounding the throne, and the creatures, and the elders; and the number of them was innumerable, Saying with a loud voice: Worthy is the Lamb who was slain to receive power, and riches, and wisdom, and strength, and honor, and majesty, and blessings!...and the four living creatures said, Hallelu-Yahweh!"*

- Revelation 5:5,11-12,14a

During the miraculous ministry of Yahsha on earth, He declared that He would be found worthy by Yahweh to be the Judge of all mankind, and prophesied this fact to His disciples early on as we see in Yahchanan chapter 5,

*"For Abba Yahweh loves the Son, and shows Him all things that Yahweh Himself does; and will show Him greater works than these, that you may marvel. For as Abba Yahweh raises up the dead, and gives them life, so also the Son offers life to those whom Yahweh wills. For the Abba does not judge any man, but has committed ALL JUDGMENT to the Son. So that all men will honor the Son, just as they will honor Abba Yahweh. The man who does not honor the Son, does not honor the heavenly Abba Yahweh Who has sent Him."*

- Yahchanan 5:20-23

From Revelation 5, we recognize the following unique feature: the scroll is sealed with seven seals. These seals are opened in sequential order at their appointed time. When the Scroll is unsealed and read by the Lamb of

Yahweh, it is at that point in time when the written prophecies of judgment are FULFILLED, in other words, WHEN it comes to pass! When the explosions took place on 9-11, this is the significance of the “thunder” (boom!) in Rev.6:1.

Not even Hollywood has the incredible imagination contained within the prophecies of Scripture. Yahweh is the greatest movie director of all time – and you are living in His movie production! From the beginning, Yahweh’s plan was a movie production where mankind is blessed with peace and joy, but mankind didn’t like that script and decided to make their own movie production – a nightmarish horror film - one of war, famine, poverty, pain and endless sorrow. Yahweh told us in advance of mankind’s ability to bring extinction upon himself and this extinction of all flesh and the death of the planet through nuclear radiation and other weapons of mass destruction would be the hopeless future, if it wasn’t for the prophecy of the Meshiakh’s Second Coming with the hope of deliverance and salvation! The wars in the Middle East are signs of the “birth pangs” and the coming great tribulation when civilization breaks down,

*“For then will be great tribulation, such as has not come to pass since the beginning of the world to this time – no, nor ever shall be. And unless those days were shortened, there would no flesh be saved; but for the elect’s sake, those days will be shortened.” – Matthew 24:21-22*

Two Witness Ministries hopes to appeal to your skeptical and inquisitive side which likes to prove “religious fanatics” wrong. You wonder: *Is Two Witness Ministries legitimate?* After reading this book, watch to see if world events don’t coincide with the prophetic “signs” to watch for. It will be up to you as to whether you are honest with yourself. If your mind can’t accept it, know that your soul will not be able to deny it.

As the threat of world war continues to build, you will be forced to take another look at the message of this book! As it was prophesied, “only a remnant will be saved” (Romans 9:27) because only a remnant took heed to the prophecies, as the Prophet Isayah said,

*“Who will believe us?  
Who has believed our report?” – Isayah 53:1*

## THE BEGINNING OF THE END

They are probably the most frightening symbols in all of prophetic Scripture – the Four Horses of the Apocalypse. Just the mentioning of this set of stampeding stallions brings instantaneous fear. No one in their right mind wants to experience the nightmare of their fulfillment! Yet, you are alive and the White Horse has already been riding for many years - conquering for Middle East in his false crusade of *Peace and Democracy!*

Yes, it's scary to think that the world has reached the "*time of the end*". The opening of the First Seal **was the Beginning of the End!** Therefore, the White

Horse of the First Seal triggers the prophesied "birth pangs" of perpetual war leading to the inevitable crisis of the ages - the prophesied Great Tribulation with the collapse of modern civilization as we know it. This global sacrifice is the N.W.O goal for Anti-Messiah!

As this reference for the prophetic symbol shows in **Unger's Bible Dictionary** on page 500, the "Horse" is the metaphor for WAR throughout the prophetic Scriptures. Under this first horse of war, nations of the Middle East are vanquished in the name of "peace and safety" – hence a "White Horse". The verses of Daniel 11:40-43 give more

detail about the Middle East region to be conquered by the White Horse.

Even the scholars of **Unger's Bible Dictionary** didn't know HOW to interpret the symbol of the White Horse, for they mistakenly presumed – as most have – that the mission of the Rider of the White Horse would be *righteous and honorable*. Others recognize this hoax and assign the "Anti-Messiah" as the Rider of the First Seal. But upon closer inspection, this is the great deception of the White Horse! The Rider APPEARS to be portraying the fable of "St. George" just as President Bush attempts to portray himself. His mission of "peace" deceives the Church of North America into blindly supporting a mass genocide campaign "in Jesus' Name"! When I remember hearing the Vice President of the United States Dick Cheney saying the "War on Terror" could last one hundred years, it still sends shivers down my spine. How can you defeat terrorists when your policy of foreign conquest and perpetual occupation secures the recruitment of "freedom fighters"? Even the ancient Jewish freedom-fighters who are celebrated during the Chanukkah season, ie. the Maccabees, despised the occupation of their land by the foreign armies of Syrian general Antiochus IV. The invasions of the United States are being compared to the same threats to national sovereignty just as the old Communist invasions during the "Cold War" by the Soviet Union. But, in a way, Cheney was right. It appears to be a time of endless war and needless

also *Ass, Bull, Goat, Ram, Bull*

**Horse.** See Animal Kingdom.

**Figurative.** On account of the strength of the horse, he has become the symbol of war (Deut. 32:13; Psa. 66:12; Isa. 58:14; Zech. 9:10; 10:3); of conquest, as in Cant. 1:9; the bride advances with her charms to conquest, "as a company of horses in Pharaoh's chariots." The war horse rushing into battle is figurative of impetuosity of the wicked in sin (Jer. 8:6). In Zechariah (6:2-7) the prophet mentions horses that were red, black, white, and speckled. The red horses symbolize war, the black pestilence, the speckled famine, while the white points to the glorious victories of the ministers of the divine judgment.

**Horse Gate**, a gate in the old wall of Jerusalem

deaths. As long as America rejects the heavenly Prince of Peace for the earthly “King of the North” – it will prove to be America’s worst nightmare!

*“Yes, many people will die when the New World Order is established.”*  
- Henry Kissenger

Bush’s Christian Crusades are not honorable nor pleasing to Yahweh for the Rider of the White Horse is under orders to consolidate the rich supplies of cheap sweet crude oil that lie beneath the sands of the Middle East. Capturing cheap oil is the mission of the oil barons of the Kingdom of the North!

*“What causes wars and fightings among you? Is it not from this: from your lusts that battle in your members? You lust, but do not have. You murder, and covet, but cannot obtain. You fight and war, yet you do not have, because you do not ask. You ask, but do not receive, because you ask with wrong purposes...”* – Yaaqob/James 4:1-3a

The conquest and domination of the Middle East for this most precious treasure threatens other global powers. Yet, the White House’s “War on Terror” won’t last 100 years as V.P. Dick Cheney predicts! He doesn’t know the prophecy of Yahweh. As prophesied the White Horse of Revelation’s First Seal ushers in the opening of the Second Seal - World War III and the death of billions of people! This is the Red Horse. This planned global conflagration is the Satanic sacrifice that ushers in the arrival of the prophesied Anti-Messiah to sit in Jerusalem!

When Pres. Bush calls for “peace” yet threatens to start World War III –beware!! Cheney, along with the entire Bush family, have many questions to answer in regards to what really happened on 9-11! Not only are they and their business partners reaping huge profits in the War on Terror, but the facts show and FBI, CIA and other government whistleblowers agree that they were complicit in engineering and allowing the attacks of terror of 9-11 with 3,000 dead. Evidence will be presented to prove that wicked men controlling US foreign policy did plan the Middle East invasions before 2000! An essential part of that plan was setting up a patsy or fall guy on which the public could cast blame for the terror. This is the prophetic role that “Osama bin Laden” plays as “the king of the south”. The New World Order Elite are master programmers and have conducted mass mind control measures over the public for many years. Terror and fear have always been their most efficient tools of control. If you want to break the warlock’s spell, accept the truth of prophecy!

Thankfully, as of the publishing of this book, the Second Seal of World War III has not yet been opened in heaven! Two Witness Ministries is desparate to distribute this book as a witness to the world. The First Seal did open on 9-11! Terror remains the curse for sin upon North America, but hopefully, many will read this book & repent to escape the hell of the following Horses of the Apocalypse! The Lamb of YHWH won’t open the next Seal until

His Witnesses have announced to the world's gentile governments that they are all on the verge of destruction! That announcement takes place during the years of the Middle East invasions and conquests by - *the Rider of the White Horse!*

### **FEMA's Terrorism Study Manual**

It reveals the targeting of New York's World Trade Center towers!

From August 1997

*How did the federal government know this??*

### **Another Coverup: *What About the WTC Fires?***

The official government story maintains that fires weakened the buildings. Jet fuel supposedly burned so hot it began to melt the steel columns supporting the towers. But steel-framed skyscrapers have *never* collapsed from fire, since they're built from steel that doesn't melt below 2750 degrees Fahrenheit. No fuel, not even jet fuel, which is really just refined kerosene, will burn hotter than 1500 degrees Fahrenheit.

It's also odd that WTC7, which wasn't hit by an airplane or by any significant debris, collapsed in strikingly similar fashion to the Twin Towers. There wasn't even any jet fuel or kerosene burning in WTC7. According to the 9-11 report by the Federal Emergency Management Agency (FEMA), "the specifics of the fires in WTC7 and how they caused the building to collapse remain unknown at this time." Aside from its startling nonchalance, this statement makes a rather profound assumption.

*Again, no building prior to 9-11, in the 100-plus year history of steel frame buildings, had ever collapsed from fire.*

This fact was known to firemen. Hence their unflinching rush up into the skyscrapers to put out the fire. Partly it was bravery, to be sure, but partly it was concrete knowledge that skyscrapers do not collapse due to fire. Yet after 100 years, three collapsed in one day. Did the FEMA investigators not think to ask the New York City Fire Department how they thought the fire started, or how the fires could have caused the astounding, historical collapse? This would seem to be an elementary step in any investigation about a fire. Instead, they chose to leave the cause of the collapse "unknown." (<http://physics911.net/closerlook>)

### **TERRORISM IN PROPHECY**

While upon Mt. Sinai for forty days and nights, Mosheh the servant of Yahweh received the Torah Covenant for Israel. Afterward, Mosheh saw the Great Tribulation upon America in the Last Days. As a witness against the rebellious children of Israel, Mosheh recorded these judgments in “the Song of Mosheh” found in Deuteronomy Ch.32. Terrorism and foreign wars are just a few of the prophesied consequences for the pagan sun worship of the Church,

*“The SWORD without (foreign wars) & TERRORISM within  
shall destroy both the young man and the virgin”*  
– Deut.32:25 (doesn’t this also sound like a Draft?)

Everyone remembers what they were doing on Sept. 11<sup>th</sup> – the day the “War on Terror” was officially declared. 9-11 was a day of total shock and agony for most who witnessed the unfolding “terror” attacks upon NY, DC and North America. Where were you on 9-11? Were you watching it LIVE on your television set as did most Americans? This technological device now makes it possible for the New World Order magicians to cast their spell of fear and terror into the hearts of all those who behold it! Fear brings control by those who manufacture it. Because both Christians and Jews of North America have not turned from their wicked ways, the Judge in heaven is provoked to anger and jealousy. Moshe received the prophecy of America’s demise in the latter days,

**World Trade Towers-NY  
Attacked on Sept. 11, 2001**

*“...you will turn from the way I have commanded you. Evil will befall you in the LATTER DAYS, because you will do evil in the sight of Yahweh, and provoke Him to anger because of what your hands have made.”*

– Deuteronomy 31:29

Then the Prophet Daniel was given more details of the evil that would befall North America, ie. the terror attack of 9-11 that was prophesied thousands of years ago as seen in a vision given to the prophet Daniel. (Daniel 11:40) This curse of “terror” was prophesied in the warnings to ancient Israel for breaking Yahweh’s Covenant. Abba Yahweh knew America would forsake Him in the latter days, and yet a proud and self-righteous Church in America just cannot see it.

Even after the murder of 3,000 souls that day, the priests and politicians of both Church and State are still not calling for national repentance. Instead, the Bush Administration and the media continue to point the finger of blame at both foreign terrorists in far away lands, as well as domestic terrorists on American soil. (*Then why doesn’t Bush CLOSE the borders?*) Islamic fundamentalists with their radical terrorist networks, spearheaded by Osama bin Laden, are still being demonized for the terror of that day, even though, at the time, Osama was living in the dusty caves of Afghanistan on the other side of the planet. Money-hungry politicians and bloodthirsty clerics continue to call for Christian holy war and a final Crusade against Islam – both in words and definitely in their premeditated plans for war and conquest (more on this in chapter 5). The New World Order propaganda machine kicked into high gear to prepare the traumatized public for the new global “War on Terror”!

The bill also allows hearsay evidence (obtained via phony confessions after torture) to be considered by the military tribunal and bars the suspect from even having knowledge of the charges against him – making the case for defense impossible. This is guaranteed to produce 100% conviction rates as you would expect in the dictatorship of Uzbekistan or Zimbabwe and other torture protagonists who are in many cases allied with the Bush administration.

Since this bill, President Bush has declared himself to be above the Constitution and the laws of the United States, the allegiance of American (US) citizens is no longer to the flag or the freedoms for which it stands, but to Bush himself. This should leave you with no doubt as to which parties are the target of the government's torture and intimidation campaign. Could protesting an illegal and immoral war approved by the “King of the North” – the Rider of the White Horse – be considered “breaching an allegiance to the United States?” I guess when you’re above the law, you can *legally* take out political opposition!

## Chapter

## **There's a Way of Escape!**

*Accept the Seal of Yahweh's Salvation!*

*“For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time – no, nor ever shall be. And unless those days be shortened, there would no flesh be saved...” – Matthew 24:21-22*

The Savior saw the demise of the United States of America in the latter days. As Chapter 2 explained, prophecy was given thousands of years ago so that future generations could consider their ways and repent. If only the Christians and Jews of America would forsake their rebellious behavior against the Covenant of Yahweh, things wouldn't be so bleak. Nations don't collapse because the people are righteous! Two Witness Ministries has published this book under inspiration from the prophetic Scriptures to raise a final warning to the sheeple of America. As the dollar continues to slide in value, and the “birth pangs” of New World Order terror continue to pound on the nation, the stress fractures upon the Bill of Rights by draconian legislation, Bush's tyrannical Executive Orders will give way to a full-blown Nazi-like Homeland Security police state where liberty gives way to mass chaos. *Luciferians are in power!*

The prior chapters have clearly explained how and why we are seeing the endless War on Terror. The Luciferian "King of the North" – President George W. Bush mounted his war horse on 9-11 with the pre-planned objective of invading the Middle East for its treasures of oil. Now, as I type this sentence in early 2007, the White House may have already provoked a war with Iran which will spread to Syria and the remaining countries prophesied in Daniel as well as codified in the war manuals of the PNAC cabal: Sudan, Ethiopia, Egypt, Libya, Israel, Lebanon, Saudi Arabia and the entire region, just as revealed to General Wesley Clark by Bush Insiders just after 9-11.

*"And at the time of the end, the king of the south will attack him (9-11) and the king of the north will come against him like a whirlwind – with chariots, with horsemen, and with many ships. He will invade countries, and overflow and sweep through them. He will also enter the Land of Beauty. Many countries will be overthrown, but these will escape from his hand: Edom, Moab, and the leaders of the children of Ammon (Jordan). He will also stretch his hand against other countries; but the land of Egypt will not escape. And he – the King of the North – will have power over the treasures of gold, of silver and over all the precious things of Egypt. The Libyans and the Ethiopians (and Sudan) follow at his heels."* – Daniel 11:40-43

*“And you will hear of wars and rumors of wars. See that you are not troubled, for all these things (Daniel 11:40-43) must come to pass, but the end is not yet”*  
- Matthew 24:6

This is the First Seal of the White Horse conquering the Islamic nations of the Middle East for treasures of oil and booty. This is not W.W.III! This is the time period that the Witnesses of Yahweh are warning the world of what is to come! These were the prophesied invasions of the Rider of the White Horse from the First Seal of Revelation 6:2! You are watching prophecy unfold before you! Now for the really scary part! The Second Seal of World War III follows...

*“But tidings out of the east and out of the north will trouble him; therefore, he will go forth with great fury to DESTROY and UTTERLY ANNIHILATE many.”* – Daniel 11:44

The Red Horse = Communist China + Communist Russia

The “tidings” mentioned in the above prophecy of Daniel 11:44 is referring to the alliance between the leaders of Communist China in Beijing and the leaders of the Russian federation. The conquests of the White Horse in the Middle East trigger a massive nuclear exchange – the great annihilation seen by the prophets of Yahweh upon North American cities and the world! Notice, both of their national flags are blood red – the same color as the Horse of the Second Seal...

*“And when Yahsha has opened the Second Seal, I heard the second creature say, Come and see. And there went out another horse that was red, and power was granted to him who sat upon it to take peace from the earth, and that they should kill one another, and there was given unto him a great sword.”* – Revelation 6:3-4

Peace is taken from the earth and all nations will be at war with each other. The Hebrew Apostles of Yahsha the Meshiakh were told to record His warnings of this great final cataclysm between nations which gives rise to the Anti-Messiah.

*“For then nation will rise against nation, and kingdom against kingdom...”*  
- Matthew 24:7a (the Red Horse)

This is the fulfillment of the Second Seal of the Red Horse or World

War III among the nations and power blocks of the world consisting of the NATO countries led by the White Horse vs. the Communist powers of Asia. This “Annihilation” seen by the Prophet Daniel and Yahsha the Meshiakh can be nothing less than nuclear war! Nuclear war is also seen in many other prophecies throughout the Hebrew Scriptures, such as 2 Kepha 3:10-12,

*“But they deliberately forget this: that long ago the heavens came into existence by the Word of Yahweh, ...By the Word also the world existing was flooded with water, and destroyed. By the same word, the heavens and the earth which now exist are reserved for fire, being kept in store until the day of judgment, for destruction of unrighteous men.” – 2 Kepha 3:5-7*

*“And I will show wonders in the heavens and in the earth – blood, fire and pillars of smoke. The sun will be turned to darkness, and the moon into blood, before the great and the terrible day of Yahweh comes.” – Joel 2:30-31*

*“I will heap destruction upon them; I will spend my arrows (missiles) against them. They shall be burnt with hunger, and devoured with burning heat...”*  
– Deut.32:23-24 (The Song of Mosheh – all prophecy!)

*“The earth is defiled under the inhabitants of it, because they have transgressed the laws, changed the ordinance and broken the everlasting covenant. Because of this, the curse has devoured the earth, and they that dwell therein are desolate; therefore the inhabitants of the earth are burned, and few men left. The city is left desolation, and the gate is smitten with destruction” - Isayah 24:5-6, 12*

Here are some headlines confirming this preparation of Red Horse alliances to defend itself against White Horse (White House) aggression...

## **Russia and Central Asian Allies Conduct War Games in Response to US Threats**

**by Michel Chossudovsky**

Global Research.ca, August 24, 2006

Barely acknowledged by the Western media, military exercises organized by Russia, Kazakhstan, Kyrgyzstan and Tajikistan under the Collective Security Treaty Organisation, (CSTO) were launched on the 24th of August. These war games, officially tagged as part of a counter terrorism program, are in direct

response to US military threats in the region including the planned attacks against Iran.

The Rubezh-2006 exercise, is scheduled to take place from August 24-29 near the Kazak port city of Aktau: Press reports from the region describe these war games as a response to US military presence and ambitions in Central Asia:

This enlargement of the Shanghai Cooperation Organization, which also includes observer status for India, Pakistan and Mongolia counters US military and strategic objectives in the broader region. Moreover, China and Russia, which are partners in the SCO also have a longstanding bilateral military cooperation agreement. In August 2005, China and Russia conducted joint military exercises.

The conduct of the CSTO war games must be seen as a signal to Washington that an attack on Iran could lead to a much broader military conflict in which Russia and the member states of the CSTO could potentially be involved, siding with Iran and Syria.

Also of significance is the structure of bilateral military cooperation agreements. Russia and China are the main suppliers of advanced weapons systems of Iran and Syria. Russia is contemplating the installation of a Navy base in Syria on the eastern Mediterranean coastline. In turn, the US and Israel have military cooperation agreements with Azerbaijan and Georgia.

#### **China War Games**

In recent developments, China and Kazakhstan have initiated war games (August 24, 2006) under the auspices of the Shanghai Cooperation Organization (SCO). These war games are being held concurrently with those conducted under the CSTO, which are also being held in Kazakhstan.

#### **Russia, China and India: A New Strategic Triangle for a New Cold War**

Parameters, Julie Rahm, 2001

Joint opposition to Western dominance is one motivation for a Russia-China-India strategic partnership. NATO enlargement, as well as the West's renewed strategic interest in the southern republics of the former USSR, became a new powerful catalyst for Russia's move eastward. In November 1995, Defense Minister Pavel Grachev warned that in response to NATO's planned eastward expansion, Russia would also turn to its east to seek new allies. It was conceived in Moscow that the strengthening of ties with China would lead to the formation of a new balance of power in Asia that could be advantageous to Russia. Plans were made for a strategic partnership not only with China, but also with India and Iran. One of the goals of such an alliance would be to prevent the West from gaining a foothold in Central Asia and the Caucasus.

## China Tilts to Russia to Counter Uncle Sam

Taipei Times | July 14, 2005

Last week, Chinese President Hu Jintao and Russian President Vladimir Putin signed a "China-Russia Joint Statement on the 21st Century World Order." With this, China is returning to a strategy of depending on a single ally. But the deeper significance of this statement is that it contributes to China's emerging strategy of unilateral threats, a bilateral defense and multilateral solutions to problems it sees in the international situation.

*"For this is what Yahweh says; Your affliction is incurable, your wound is severe. There is no one to plead your cause, that you might be bandaged up, you have no healing medicines. All your lovers have forgotten you; they do not see you; for I have wounded you with the wound of an enemy, with the fierceness of chastisement; for the multitude of your iniquities, because your sins have increased."*

– Yeremiah 30:12-14

Yahweh's judgment upon America begins with the Dictatorship of US President George W. Bush. The manufactured terror of the New World Order results in the economic collapse of the dollar, full martial law, the Draft, loss of rights, national ID card/chip, and World War III upon the unrepentant Baal worshipers of the United States. According to prophecy, America will not survive the Second Seal of the Red Horse. This nuclear war will kill 1/4 of earth's population, or 1.5 billion people. This doesn't even include the deaths that result from the Third Seal (famines) and the Fourth Seal (pestilence and plagues) which follow! The Four Horses have no mercy! The Rider of the White Horse has been appointed by heaven to bring Great suffering and death – for George W. Bush is a devout Luciferian following orders from his Dark Lord. Bush's prophesied Draft takes more lives of hundreds of thousands of young men and women in foreign wars as UN forces occupy desolated US cities. Because of her whoredoms, America's allies will forsake her and watch her rise no more.

*"The virgin of Israel has fallen, she will rise no more. She is forsaken upon her land, and there is none to lift her up..."*

– Amos 5:2

The prophecies reveal that once the Second Seal of nuclear annihilation and World War III is unleashed upon America, the apostate Talmudic Zionist Jews and the Vatican of the Roman Catholic Church will initiate the rebuilding of Solomon's Temple in Jerusalem (a Masonic "New Age" One World religious temple dedicated to all the gods of the nations). Then the Anti-Messiah is revealed by taking his seat in the "holy place" and is prophesied to reign over

the earth with an iron fist against all opposition. This last days “Abomination of Desolation” only lasts for a short space of 3-1/2 years culminating in the Second Coming of Yahsha the Meshiakh at the Feast of Trumpets. (2 Thes. 2:4-7; Rev. 11:2,9,11; 12:6,14) At His majestic return, the Savior will then destroy the False Prophet (Anti-Messiah) and the United Nations “Beast” armies that gather against Him and His chosen ones...

*“The ten horns which you saw are ten kings, which as yet have not received a kingdom; but receive authority as kings one hour with the beast. These have one purpose and they give their power and authority to the beast. These will make war with the Lamb, but the Lamb will overcome them; for Yahsha is Ruler of rulers and King of kings; and those who are with Him are called, chosen and faithful.”* –Rev.17:12-14

### Accept the Savior and be Saved!

Two Witness Ministries hopes you will come to realize that war is the result when mankind chooses to ignore the prophecies of Yahweh. The Creator still loves all mankind but pleads with earth’s inhabitants to consider their ways. The hope for peace exists in this message being shared to the nations so that these warnings can lead to religious leaders demanding swift repentance and turning back to the unchanging righteousness, justice and true love only found in Yahweh’s Covenant Law. If not, America will end up destroyed just like Egypt!

*“For this covenant is the same covenant that I will renew with the House of Israel; After those days says Yahweh, I will put My Law in their inward parts, and write it in their hearts; and I will be their Abba, and they will be My people.”* – Hebrews 8:10

Yahweh Almighty has ordained only one way to escape from the Four Horses of the Apocalypse! You have no other choice but to willingly submit to the Lamb of Yahweh by calling upon His heaven-sent royal Hebrew Name – Yahsha h’Meshiakh! Yahsha is looking for your obedience and the Seal of Yahweh upon your forehead (Rev.14:1) This special sealing is granted at one’s water baptism into the Family of Yahweh thru the authority of the Risen King!

*“Nevertheless, the foundation of Yahweh stands sure, having this seal: Yahweh knows those who are His, because everyone who reveres the Name Yahweh departs from iniquity and lawlessness.”* –2 Timothy 2:19

have restored the long lost Name of the Hebrew Savior! The world have been duped into accepting the manmade invention of Protestant Reformer Sir William Tyndale who created the name “Jesus” back in 1525! With the restoration of the Name of the Messiah - the “Branch” of the lineage of Dode (David) of the Tribe of Yahdah (Judah), salvation is now possible in these last days for His remnant!

*“And the remnant woman fled into the wilderness on earth where she has a place prepared by Yahweh, that they should feed her there a thousand two-hundred and sixty days...And the dragon was enraged with the woman and went to make war with the remnant of her seed, who keep the commandments of Yahweh and have the witness of Yahsha.”*

– Revelation 12:6,17

*“And at that time will Michael stand up, the great prince who stands for the children of your people; and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time your people will be delivered, everyone who will be found written in the Book of Life. And many of those who sleep in the dust of the earth will awake, some to everlasting life, and some to shame and contempt.”* – Daniel 12:1-2

*“Repent, and be immersed everyone of you, in the Name of Yahsha the Meshiakh for the remission of transgressions, and you will receive the gift of the power of Yahweh.”* – Acts 2:38

*“These things I have written to you who believe in the Name of the Son of Yahweh, so that you may know that you have eternal life..”* – 1 J.5:13

You are living in the days of fulfilled prophecy, & the First Seal opened on 9-11 Yes – President George W. Bush is America’s new dictator and King who will not relinquish power without a fight! The Rider of the White Horse is counting on your support for endless war, bloodshed and the Draft of your children!

The Lamb of Yahweh – Yahsha h’Meshiakh is asking YOU...

*Do you want WAR or PEACE?*

*Are YOU willing to be saved? (Acts 2:38; Romans 6:16)*

*Prophecy shows that Christians and Patriot leaders will not repent!*

Your answer to these questions determines whether you will escape and inherit the coming Kingdom of Yahweh. Yahweh loves you very much! Two Witness Ministries and the Remnant of YHWH Thanks YOU for spreading the Word!

## 9 *Chapter*

# **2017 Update: "Fire and Fury"**

*US President Trump Seals America's Judgment*

***"North Korea best not make any more threats to the United States. They will be met with fire and fury like the world has never seen. He (Kim Jong-Un) has been very threatening beyond a normal statement. As I said, they will be met with FIRE & FURY, and frankly power, the likes of which this world has never seen before."***

US President Donald J. Trump, August 8, 2017

It's been 11 years since the first printing of this shocking book of prophecy being fulfilled in real time. It's an incredible reality that the First Seal of Revelation actually opened with the false-flag terror events of September 11, 2001. During those past years, the Rider King of the White Horse – the President of the United States – has continued to follow the 2002 National Security Strategy of pre-emptive war and conquest of many sovereign countries. The nations that have been bombed, overthrown and/or invaded under the authority and power of the President of the United States will be highlighted in this final chapter.

The premise of this book continues to hold true, which is frightening because of what is prophesied to come next! Again, the Office of the President of the United States is clearly the actual identity for Daniel's "king of the north"

who is ALSO the prophetic Rider-King atop the biblical symbol of Messianic war – the “White Horse” of Revelation 6:2.

There are many powers working behind the scenes which orchestrate much of the drama that occurs on the world stage. The President of the United States is only a figurehead in the prophecy or the lead actor in a play. The present US President Donald J. Trump may want to be in control of US foreign policy, the US economy, and all the other vast responsibilities he believes he has, but he is not and never will be in control of this mighty ship, called the USA. Who can fault the man for wanting to fulfill his presidential election campaign slogan: to *“make America great again”*? To accomplish such a promise, he would like to have control. Mr. Trump, believe me, you don’t have control. You are a puppet in a big theatre. How do you think your words of WAR will make America *great*? How are you exempt from personal judgment? Remember, nations rise and fall at the discretion of Almighty Yahweh.

***“Daniel the prophet said, ‘Let the name of Yahweh be blessed forever and ever; for wisdom and power belong to Him. It is He who changes the times and the epochs; He removes kings and establishes kings...”***

Daniel 2:20-21a

Daniel was speaking to the king of Babylon at that time– King Nebuchadnezzar. If he were alive today, Daniel would say to President Trump the same thing. According to Daniel’s prophecy regarding the “king of the north”, US President Trump will lead America into World War III – *sealing* America’s judgment. In this war – which opens the Second Seal of Revelation 6:4 – the United States does not come out the victor! The blood-thirsty nature and greed of the US military-industrial complex has been clearly displayed for all to see, witness and experience over the past 16 years. Do you think the King of the Universe – the Righteous Judge (Prov.21:3; Ps.50:6; 89:14) will allow this mass murder and genocide by US forces and NATO to stand? By definition: war is murder, and those who support phony *false-flag* wars in the name of any nation or king, are supporting the sin of murder. 9-11 was an inside job! The Churches of America are complicit thru the sin of silence . The wisdom of The Proverbs reveals,

***“Righteousness exalts a nation, But sin is a disgrace to any people.”***

Proverbs 14:34

As a light to the world, America is to exemplify goodness, love and mercy! The Christians of America, including their leaders, are supposed to be living by the words of the Prophet Micah in chapter 6, verse 8...

***“He has told you, O man, what is good; and what does YHWH require of you but to do justice, and to love kindness, and to walk humbly with your Mighty One?”***

That is the actions of righteousness which exalts a nation. Having a foundation of kindness and mercy is what grants the mercy from heaven. But this hasn't been the foreign policy of the King of the North, nor the nation over which he governs. The Apostle's teachings are clear on this subject. Even if 9-11 had NOT been a false-flag attack, the great Apostle Shaul (Paul) reminds us,

***“Beloved, never avenge yourselves, but leave it to the wrath of YHWH, for it is written, “Vengeance is mine, I will repay, says YHWH.”***

Romans 12:19

But those of the Deep State Illuminati/CIA factions who orchestrated 9-11 were confident that the Christian Churches would over react with emotion and demand vengeance through the military might of the US government. This would fulfill their plans of conquering and looting the vast “treasures” of the Middle East, which was admitted to and described in previous chapters. With this, we must also recognize that YHWH sees the conquests of the Middle East as “robbery and wrong”, as the prophet foretold America in Isayah 61:8,

***For I YHWH, love justice; I hate robbery and wrong;  
I will faithfully give them their recompense, and I will  
make an everlasting covenant (of death) with them.***

Americans might want to rethink their position of supporting American foreign policy and war. Yet, Donald J. Trump is only one man. One man cannot make a nation great. It is the righteousness of a nation's people which makes it great. This too was the observation of French historian Alexis de Tocqueville who travelled to America in 1831 and wrote in his book, “Democracy in America” in 1835,

***“America is great because America is good.  
When America ceases to be good, America will cease to be great.”***

With continual “wars and rumors of war” under the US foreign policy of pre-emptive attacks against anyone or any sovereign country on earth, America has lost her goodness. The Churches are not marching in the streets demanding that their democratic voice be heard to stop the murders being waged in the name of peace! Yes, America has lost her goodness and she is filled it with hubris, pride and self-righteousness. America is only great in her own eyes. Other nations and world leaders have voiced their opposition to the United States' unending wars of conquest, including the President of Russia...

***“Today we are witnessing an almost uncontained hyper use of force – military force – in international relations, force that is plunging the world into an abyss of permanent conflicts. As a result we do not have sufficient strength to find a***

*comprehensive solution to any one of these conflicts. Finding a political settlement also becomes impossible. We are seeing a greater and greater disdain for the basic principles of international law. And independent legal norms are, as a matter of fact, coming increasingly closer to one state's legal system. One state and, of course, first and foremost the United States, has over stepped its national borders in every way."*

**- Vladimir Putin** at the Munich Conference on Security Policy in Germany (February 11, 2007)

US President Donald J. Trump must expose the 9-11 inside-job conspiracy and counsel Americans to walk in the truth and become good again showing mercy, instead of following after the mind-control vengeance-based tactics pushed by the Elite who love their war\$ for profit. True righteousness is displayed with goodness and mercy. In all his speeches across America, never has he counseled the people to repent, for this is the only way America can truly be "great" again. Nor has Trump's Justice Department locked up the criminals behind the 9-11 false-flag attacks! This is to his shame, and why America's future has tipped into its final judgment! James – brother of the Savior warned America long ago in chapter 2, verse 13...

***"For judgment will be without mercy to him that has shewn no mercy."*** - Darby Bible translation

## **THE RIDER... LIED TO THE AMERICAN PEOPLE**

This same Donald J. Trump campaigned on the PROMISE to the American people in 2016 that he would bring home the troops from Afghanistan. This promise was the main reason for his defeat over Hillary Clinton. But in fitting fashion, and in the prophetic role of the conquering "king of the north", he broke that campaign promise! Who would have guessed?!

### **TRUMP BREAKS PROMISE to Bring the Troops Home**

**Newsmax.com** | Aug.24, 2017 - He articulated them forcefully to the American electorate during last year's presidential election campaign. He actually began attacking the war in Afghanistan long before he announced his presidential candidacy. If he has been consistent on any public issue, it has been his opposition to this useless, lawless, costly war — until he needed to change the subject.

Why war? Because nothing strengthens the presidency and its occupant or commands the attention of the public or weakens domestic political opposition as effectively as war. No rational person will argue publicly that our troops should die or lose or lack the resources to fight even an unjust war, and often even political opponents will jump on a wartime president's patriotic band-

wagon. We will witness that scene again soon.

With the last anti-war holdout in his inner circle — Steve Bannon — gone, Trump embraced the present and former generals with whom he has surrounded himself and surrendered to their arguments. I wish he had been faithful to his promise to the electorate to bring the troops home. Instead, he will send an unannounced number of service members and accompanying equipment to Afghanistan — not to rebuild the bridges and roads the U.S. destroyed there but to fight, to kill and to "win."

Soon after taking office as the "King of the North", President Trump gave his war department the Pentagon permission to drop the "Mother of all bombs" (MOAB) in the US-conquered country of Afghanistan! Does this sound like bringing home the troops?

#### **US Drops "Mother of All Bombs" on ISIS Cave in Afghanistan**

**New York Times** | April 2017 - The United States dropped the most powerful nonnuclear bomb in its arsenal on what it said was an ISIS cave complex in remote Afghanistan. The bomb — called the GBU-43/B Massive Ordnance Air Blast (MOAB) — can obliterate everything within a 1,000-yard radius. The Pentagon said, unleashing a weapon so massive that it had to be dropped from the rear of a cargo plane.

Then the "King of the North" couldn't help himself but bomb another sovereign country of the Middle East — Syria. Once again, the US President playing the role of military *savior of the world* — the Rider of the White Horse! US has long planned regime change in Syria & the removal of Bashar al-Assad.

#### **U.S. Strikes Syrian military airfield in first direct assault on Bashar al-Assad's government**

**The Washington Post** | April 7, 2017 - The U.S. military launched 59 cruise missiles at a Syrian military airfield early Friday in the first direct American assault on the government of President Bashar al-Assad since that country's civil war began nearly six years ago. The operation, which the Trump administration authorized in retaliation for a chemical attack killing scores of civilians this week, dramatically expands U.S. military involvement in Syria and exposes the United States to heightened risk of direct confrontation with Russia and Iran, both backing Assad in his attempt to crush his opposition.

#### **After US Bombs Syrian Government for Third Time in 8 Months**

**FAIR.org** | June 2, 2017 - The United States has bombed Syrian government-allied forces three times

in just eight months. Major media outlets have overwhelmingly failed to ask critical questions about these incidents, preferring instead to echo the Pentagon. For years, media have consistently downplayed the extent of US military intervention in Syria, and repeatedly propagated the long-debunked myth that Washington never pursued regime change there in the first place. The distorted reporting on these US attacks reflects this longer trend.

The US President again falls right in line with the war plans of his generals. It's not enough to justify bombings and invasions of the Middle East over the alleged threats of "weapons of mass destruction" by Middle Eastern dictators, the specter of radical Islamic terrorists has always worked out to their advantage quite nicely. US government officials, the CIA, and the Pentagon are all working together to prop up their boogey man to help justify their continual war agenda...including the war against their "elusive", yet reliable threat of radical Islamic terrorists... not just al Qaeda, now it's ISIS – the most savage group of radicals there is!

**Anti-Media** | Jan.31, 2017

Democratic Congresswoman Tulsi Gabbard, the lawmaker who accused the U.S. government of funding and arming ISIS and introduced a bill to prevent it from happening in future, recently disclosed that she met with Syrian President Bashar al-Assad during her recent trip to Syria. The move has reportedly angered many of her fellow congressmen and women. Upon returning from the war-stricken nation, Gabbard released the following statement in the form of a press release: "My visit to Syria has made it abundantly clear: Our counterproductive regime

change war does not serve America's interest, and it certainly isn't in the interest of the Syrian people. As I visited with people from across the country, and heard heartbreaking stories of how this war has devastated their lives, I was asked, 'Why is the United States and its allies helping al-Qaeda and other terrorist groups try to take over Syria? Syria did not attack the United States. Al-Qaeda did.' *I had no answer.*"

## Report: 12 Civilians Killed daily in Trump's air war against ISIS

[TheHill.com](http://TheHill.com) | July 17, 2017

More than 2,200 civilians appear to have died from U.S.-led coalition strikes in the fight against the Islamic State in Iraq and Syria (ISIS) since President Trump took office, according to an Airwars investigation for the Daily Beast. That amounts to 12 or more civilians killed every day, according to the investigation. That is far higher than the number of civilians Airwars researchers estimated were killed from coalition strikes under former President Obama...

The drum beats of war never stop under the conquest agenda of the "king of the north". This is how US President Trump justifies military action, just like former US President George W. Bush as well as Barack H. Obama before him. Well, after 16 years of death and destruction, the Presidents of the United States have created a massive humanitarian problem of displaced refugees...most of them contaminated with depleted uranium! These poor Islamic refugees from all over the Middle East have had to flee their homes and countries to find a better life for themselves and their families, and they are hopping mad!

They are the same radicalized refugees which Obama (also a devout Muslim) began importing into the United States in 2014 giving them free money and free housing across America under the UN-sponsored program "Sanctuary Cities". This importation of radicalized Islamic jihadists was another diabolical plan of the Elite, which again, the Churches seem oblivious to as the leftist media refuses to sound the alarm.

## HARBINGER TO WORLD WAR 3

Then, on the same day as America's judgment Harbinger "*the Great American Eclipse*", of August 21, 2017, *the Rider of the White Horse* - President Donald Trump spoke to all the American people over mass media and clearly emphasized the SAME US foreign policy plans of continual war and conquest in the Middle East, including Afghanistan. Within his rhetoric was the unmistakable intention to engage militarily – *not diplomatically* – the bellicose dictator of a nuclear-armed North Korea: *Kim Jong-Un!* How fitting

that the “King of the North” prepare the American people for more WAR on the same day as an ancient harbinger of judgment the “Great American Eclipse”!

This Harbinger Eclipse just so happened to occur on the very same day as the 1914 European eclipse of World War 1 – exactly 103 years ago! Because Trump is fulfilling Daniel’s prophecy, no one should be surprised at his change of heart decision to continue the march into war. His actions will lead to America’s judgment. It has been foretold, and the Harbinger Eclipse has confirmed it.

In the near future, when history has been recorded, everyone will see that Trump was just a pawn in a bigger game – a very dangerous game. The powers that be have wanted to trigger World War III for a long time. They – the Whore of Babylon – the Illuminati – the Jesuits – the Freemasons – the Reptilian Overlords – whatever you choose to call “them”, they will use US President Trump to initiate their final war, to bring in their *New World Order*.

**North Korea threatens to strike US territory of Guam after Trump’s ‘fire and fury’ warning**  
*Dramatic increase in tensions after Donald Trump warns of ‘fire and fury like the world has never seen’*

THE INDEPENDENT-UK | Aug.8, 2017 - North

Korea said on Wednesday it is "carefully examining" a plan to strike the US Pacific territory of Guam with missiles, just hours after President Donald Trump said that any threat to the United States would be met with "fire and fury". A spokesman for the Korean People's Army, in a statement carried by the North's state-run KCNA news agency, said the strike plan will be "put into practice in a multi-current and consecutive way any moment" on the say-so of leader Kim Jong-un. North Korea also accused the US of devising a "preventive war", which it added would be met with an "all-out war wiping out all the strongholds of enemies, including the US mainland" .... "Tension is mounting when it comes to the international situation surrounding nuclear weapons," Nagasaki mayor Tomihisa Taue told a ceremony marking the attack. "Strong fears are spreading that nuclear weapons may be used in the not-so-distant future."

North Korea’s dictator Kim Jong-Un and his saber-rattling of nuclear attack upon the US is a set up to try and force Trump’s hand by lashing out with military action against North Korea’s dictator. Yes, North Korea is also a major pawn on the global chessboard. The Elite are moving Kim Jong-Un into position for Trump’s check-mate – triggering the spark that ignites World War 3. Their long awaited war will open Revelation’s dreaded and horrifying *Second Seal*!

*“I fear we (US) will be in a tactical nuclear war with North Korea. This is dangerous. For the first time in years, in the UN Security Council they had a unanimous vote which included China and Russian sanctions on North Korea. That means Russia and China know what I’m telling you, that this madman is about to push this thing over the edge. When it goes over, it’s going to be disastrous. People out in California, I’d be worried if I was you...”*

### **North Korea Threatens to turn U.S. mainland into a 'theater of nuclear war'**

**LA TIMES** | Aug.8,2017 - President Trump’s statement that North Korea will meet with “fire and fury” if it continues to threaten the U.S. sent a cascade of anger, anxiety and concern through Northeast Asia’s halls of power on Wednesday. North Korea responded with vitriol. In a statement, its Korean People’s Army threatened to “turn the U.S. mainland into the theater of a nuclear war,” sending a strong signal that Pyongyang’s nuclear ambitions remain unchecked. A U.S. strike on North Korea missile and nuclear targets would be “mercilessly repelled,” the statement continued.

North Korea is such a backward nation, that its citizens are always near starvation to maintain fear and control by the military government of Kim Jong-Un. He and his military chiefs are probably the only ones who have running water and working toilets – per US News and World Report, April 2013. A first world nation requires a thriving middle class with a vibrant economy. In contrast to South Korea, Communist North Korea does not possess this type of free society. Because of this, they are classified by many as a third world country.

In January 2014, the New York Post ran an article entitled, *“Life Inside the Surreal, Cruel and Sheltered North Korea”* admitting the following,

“Lost among the jokes is the suffering of the average North Korean — the 24.7 million who live in abject poverty in the world’s most isolated nation. North Korea’s human-rights record has been condemned by Human Rights Watch, Amnesty International and the United Nations. Aside from saber-rattling, the government maintains little communication with the outside world. The nation has so little electricity that, in the ultimate metaphor, nighttime satellite imagery shows North Korea gone dark, the only country in the world not illuminated. Travelers are only allowed to move within a circumscribed part of Pyongyang and are chaperoned and surveilled by government officials.

*So: What do we really know about life inside the Hermit Kingdom?*

Lost among the jokes is the suffering of the average North Korean — the 24.7 million who live in abject poverty in the world’s most isolated nation. North Korea’s human-rights record has been condemned by Human Rights Watch, Amnesty International and the United Nations. Aside from saber-rattling, the government maintains little communication with the outside world.

Jae Young Kim, a defector, wrote of a North Korean proverb: “The bird listens during the day and the mouse does at night.” “You’re always being watched,” he writes. “From a young age, I learned to think of the potential consequences of everything I might say, before I said it. . . Criticism of the leaders is something that can lead to someone being sent from their city to the countryside; to a prison camp, or even worse.”

Jobs often come without salaries. Those who do get a paycheck, earn, on average, between \$1,000-2,000 a year. Food and clothing are rationed by the government. Most North Koreans have access to that one TV station and one newspaper, both state-run; they are told that their country is the only functioning and prosperous nation on Earth and that outside rages an apocalypse. Only Elites are allowed cellphones, but they can just make calls or text — there is no Internet.

“The majority of North Koreans believe completely in the regime,” says Barbara Demick, a Seoul-based journalist and author of *“Nothing to Envy: Ordinary Lives in North Korea.”* “They are barely surviving,” she says. “Only the rich can afford to eat rice. They’re in a chronic state of food shortage.” The average citizen eats twice a day — a manageable state of affairs for citizens who lived through the great famine of the ‘90s, which reduced millions of people to eating tree bark and plucking undigested kernels of corn from animal excrement.

In September 2008, Demick became one of the few Westerners to travel beyond Pyongyang. “I saw people who appeared to be homeless sleeping in the grass along the main street,” she writes. “Others squatted on their haunches, heads down, apparently having nothing else to do at 10 o’clock on a week-day morning. Walking barefoot along the sidewalk was a boy of about 9 years old wearing a mud-stained uniform that hung below his knees ...older people sifted through grass on their hands and knees in search of edible weeds.”

One of Demick’s subjects, a young female doctor, was forced to strip apart the few clothes she owned to use as makeshift sanitary pads — no napkins or tampons were provided at medical school. During the famine, this young doctor struggled to treat starving children as her own hospital went without heat and hot water. She eventually defected. “She was only out for one hour when she saw that dogs eat better in China than doctors in North Korea,” Demick says. “Defectors very quickly realize their life is a lie.”

“Kim Jong-un has made it clear that even though his father was brutal, he will be even worse,” Peters says. “And his father was a very cruel man.”

If any country on earth really needed “regime change” for the sake of freedom and democracy for its downtrodden masses, it would be Communist North Korea! Wasn’t that one of the reasons justifying the invasion of the Middle East to free the people from dictatorship and deliver them true peace and prosperity? Isn’t that why so many Americans supported the wars of the White Horse — *to save humanity from evil?*

Under the US banner of freedom and democracy, have you seen this US President extend his right hand to help the poor, downtrodden masses of North Korea? Has Trump ever mentioned the hope of freedom and deliverance to the prisoners of North Korea from their Communist leader? No... instead, Trump is promising them NUCLEAR “FIRE AND FURY” with the full military “power” and strength of the US military to swoop down upon their country!

## EISENHOWER’S WARNING

Obviously then, the question must be asked...*How could such a third world country possess the advanced technology of nuclear weapons?* Again, North Korea was set up to be the boogeyman who taunts and threatens the United States into war. It's another false-flag scenario wherein the Elite maintain total control – controlling both sides – a long standing tactic of the Luciferians. This was the main fear of past President Dwight D. Eisenhower, who in 1961 gave his final farewell speech to the American people with a blunt warning of the schemes and hidden agendas of the US “military industrial complex”...

*“My fellow Americans...In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or un-sought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists and will persist. We must never let the weight of this combination endanger our liberties or democratic processes. We should take nothing for granted. Only an alert and knowledgeable citizenry can compel the proper meshing of the huge industrial and military machinery of defense with our peaceful methods and goals, so that security and liberty may prosper together”*

### ***Eisenhower’s Farewell Warning Made the Front Page Headlines!***

The US Military-Industrial complex wants global domination! You were introduced to the concept of “false flag terror” in the previous Chapter 7. All of North Korea’s advanced technology was literally given to it by the US military-industrial complex, including Donald Rumsfeld, former US Secretary of Defense and the Pentagon!

### **Did Donald Rumsfeld Aid North Korea’s Nuclear Program?**

*A new report reveals Rumsfeld was on Board of Zurich firm ABB which sold N.K. two nuclear reactors*

**Democracy Now | May 2, 2003** – Rumsfeld was on the board of Zurich-based firm ABB which sold North Korea two nuclear reactors. There is one image from the 1980’s that might best highlight the ties between the Reagan and Bush White House to Saddam Hussein’s regime in Iraq. It is a video image of a US envoy

enthusiastically shaking hands with Hussein himself. The year was 1983 and the envoy was Donald Rumsfeld the current Secretary of Defense...Now it turns out the Rumsfeld is refusing to talk about his possible connections with another of the nations in the so-called Axis of Evil: North Korea. (*Remember, you think Trump is falling for all this...You don't think he knows better? He's just another "insider" – a Trojan Horse!!*) A new report in Fortune magazine has unveiled that Rumsfeld might have played a direct role in helping communist North Korea build its potential nuclear capacity (and nuclear arsenal)..."

Again, it's another setup...a setup for war..."wars and rumors of war" being fulfilled before your very eyes! Kim Jong Un is an Anglo-American, western Illuminati puppet. The current hooplah by North Korea, Kim Jong Un, announcement of activating their nuclear bombs and possibly triggering **pre-emptive** nuclear strikes, is it simply a psyop against the American sheeple? It will allow the Pentagon to justifiably deploy their anti-missile THAAD system in South Korea and thus threaten China... and China knows this! The deployment of THAAD, much like the system in Europe threatening Russia, allows the US-Pentagon a nuclear first strike capability in the event of nuclear war against China. The target has always really been Russia *AND* China.

How can we be sure of such an incredible claim? The Pentagon has clearly expressed its plans in their own *National Military Strategies*!

## Pentagon Concludes America Not Safe Unless It Conquers the World

Paul Craig Roberts | July 10, 2015

The Pentagon has released its "National Military Strategy of the United States of America 2015," June 2015. <http://news.usni.org/2015/07/02/document-2015-u-s-national-military-strategy>

The document announces a shift in focus from terrorists to "state actors" that "are challenging international norms." It is important to understand what these words mean. Governments that challenge international norms are sovereign countries that pursue policies independently of Washington's policies. These "revisionist states" are threats, not because they plan to attack the US, which the Pentagon admits neither Russia nor China intend, but because they are independent. In other words, the norm is dependence on Washington.

Be sure to grasp the point: The threat is the existence of sovereign states, whose independence of action makes them "revisionist states." In other words, their independence is out of step with the neoconservative Uni-power doctrine that declares independence to be the right of Washington alone. Washington's History-given hegemony precludes any other being independent in its actions.

The Pentagon's report defines the foremost "revisionist states" as Russia, China, North Korea, and Iran. The focus is primarily on Russia. Washington hopes to co-op China, despite the "tension to the Asia-Pacific region" that China's defense of its sphere of influence, a defense "inconsistent with international law" (this from Washington, the great violator of international law), by turning over

what remains of the American consumer market to China. It is not yet certain that Iran has escaped the fate that Washington imposed on Iraq, Afghanistan, Libya, Syria, Somalia, Yemen, Pakistan, Ukraine, and by complicity Palestine.

The Pentagon report is sufficiently audacious in its hypocrisy, as all statements from Washington are, to declare that Washington and its vassals “support the established institutions and processes dedicated to preventing conflict, respecting sovereignty, and furthering human rights.” This from the military of a government that has invaded, bombed, and overthrown 11 governments since the Clinton regime and is currently working to overthrow governments in Armenia, Kyrgyzstan, Ecuador, Venezuela, Bolivia, Brazil, and Argentina.

In the Pentagon document, Russia is under fire for not acting “in accordance with international norms,” which means Russia is not following Washington’s leadership.

### **Washington Plans to Nuke Russia and China**

**Paul Craig Roberts | April 27, 2017 –**

Not everyone likes to hear about the threat of nuclear war. Some find refuge in denial and say that nuclear war is impossible because it makes no sense. Unfortunately, humankind has a long record of doing things that make no sense. In previous posts in recent years I have pointed out both written documents and changes in US war doctrine that indicate that Washington is preparing a preemptive nuclear attack on Russia and China. More recently, I have shown that Washington’s demonization of Russia and President Putin, the incessant lies about Russian deeds and intentions, and the refusal of Washington to cooperate with Russia on any issue have convinced the Russian government that Washington is preparing the Western populations for an attack on Russia. It is obvious that China has come to the same conclusion. It is extremely dangerous to all of mankind for Washington to convince two nuclear powers that Washington is preparing a preemptive nuclear strike against them. It is impossible to imagine a more reckless and irresponsible act. Yet this is precisely what Washington has done. Lt. Gen. Viktor Poznikhir, Deputy Head of Operations of the Russian General Staff has concluded that Washington in pursuit of global hegemony is implementing an anti-ballistic missile system that Washington believes can prevent a Russian nuclear response to a US pre-emptive attack. <http://www.fort-russ.com/2017/04/us-forces-preparing-sudden-nuclear.html> Careful studies have convinced the Russians that Washington is investing in and arranging components that have no other function than to devastate Russia and cripple the country’s retaliatory capability. In short, Washington is preparing to launch a nuclear war.

The Military-Industrial Complex must LOVE Trump! WAR appears to be Trump’s only solution to the nuclear threats being *announced* by North Korea. With this coming display of power, does Trump expect to attack Iran next?? Don’t forget: **Iran** remains on the Pentagon list for conquest from back

in 2002. They are a little behind schedule, it would seem. Does Trump believe that a successful blasting of North Korea could be good show for his future plans to bomb and invade Iran? Who in their right mind believes that Russia and China are going to continue to just sit idly by and watch that happen?

I recently saw this appear near the checkout stand at the local Walmart. The article went on to say exactly as expected for *the Rider of the White Horse!*

## THE NATIONAL ENQUIRER

## THE RIDER WANTS "GOD'S BLESSING"

*"In the case of North Korea, God has given Trump authority to take out Kim Jong-un."*

Pastor Robert Jeffress, President Trump's Evangelical Advisor, Aug.2017

From the Book of Revelation, we know that "the Whore" Church of Babylon rides atop the Beast and is really in control of world events. This apostate religious entity wants World War III and why those of the false religious system give their blessing to war - in order to create chaos and impose their one world government upon what population remains of humanity. In his occult-like speeches to the sheeple of earth, former US President George Herbert

Walker “Daddy” Bush termed the coming global dictatorship as “The New World Order”.

Everyone has heard this phrase before. You even have it labeled on the back of the US One Dollar Bill! It encircles the Illuminati all-seeing eye atop the Egyptian style pyramid. Yes, it is this same “New World Order” which will rise from the ashes of World War III as Revelation’s “Beast system”!

**'God has given Donald Trump authority to take out Kim Jong-un,' President's evangelical adviser says**

*Texas pastor Robert Jeffress makes claim as tensions escalate between Pyongyang and Washington*

**THE INDEPENDENT | Aug. 9, 2017** - Texas megachurch pastor Robert Jeffress of First Baptist Church - Dallas, one of President Donald Trump's evangelical advisers who preached the morning of his inauguration, has released a statement saying the President has the moral authority to take out North Korean leader Kim Jong-un. “When it comes to how we should deal with evil doers, the Bible, in the book of Romans, is very clear: God has endowed rulers full power to use whatever means necessary - including war - to stop evil,” Jeffress said. “In the case of North Korea, God has given Trump authority to take out Kim Jong-un.” Jeffress said in a phone interview that he was prompted to make the statement after Trump said that if North Korea's threats to the United States continue, Pyongyang will be “met with fire and fury like the world has never seen.” The biblical passage Romans 13 gives the government authority to deal with evildoers, Jeffress said. “That gives the government to the authority to do whatever, whether it's assassination, capital punishment or evil punishment to quell the actions of evildoers like Kim Jong-un,” he said. He said that many pacifist Christians will cite Romans 12, which says, “Do not repay evil for evil,” but Jeffress says that that passage is referring to Christians, not to the government. “A Christian writer asked me, 'Don't you want the president to embody the Sermon on the Mount?'" he said, referring to Jesus' famous sermon. **“I said absolutely NOT.”**

You have just read it for yourself! Having no clue as to what the prophets of Scripture have warned, Trump's religious advisors want *WAR NOT PEACE!* Today's Christians, the same ones who supported Bush's bogus wars against Islamic patsies in the Middle East, do not want their leaders exemplifying the teachings of the “Prince of Peace” (Jesus) the Savior of the world... they want *WAR!* Well, if you had read OT scriptures, you would see that this was the reality of the situation in the days of Samuel the Prophet. The people had rejected Yahweh's leadership and Yahweh's representative – Samuel. And yes, by democratic vote, they chose instead a nobody, basically, to be their new leader or president to be, as it states, “*a king who will lead us in our battles (of war)*”. Please read the entire chapter of 1 Samuel, chapter 8.

Here again, just as the Evangelical community rallied around former US President George W. Bush right after 9-11, the drums of war are beating again for another *pre-emptive* strike against another dictator of “evil”. As long as a threat exists upon the American people, prophecy shows that they will never put their hope, faith and trust in the Creator to be their shield of protection. According to 1 Samuel 8, the people will only trust in an earthly fallible king – *the Rider of the White Horse!* In this great deception, Christians invoke their God’s favor and blessing upon Trump’s next war!

What Christians also are not taught by their false preachers is the fact that the Hebrew word pronounced “GOD” or “GAWD” (Strong’s Concordance Hebrew #1410) literally means: *(military) troops cometh!* The Patriarch’s and Prophets of ancient Israel never prayed to “Gawd” as this was not the identity nor name of the Most High whom they served. In the ancient Hebrew texts, the Masoretic Text and the Dead Sea Scrolls, “God” was never the name of the Creator. *It was the Hebrew name of Jacob’s ninth son thru Zilpah – the young maid of Leah.* The true pronunciation of the name of Jacob’s son was never pronounced GAD. It was misspelled as “Gad” on purpose to hide its true pronunciation. The true transliteration of the name of Jacob’s son is GAWD or “GOD”, again meaning: *military troops cometh!* (See Genesis 30:11).

This word came to replace the name ‘Yahweh’ in the English translations of the Old Testament, to reinforce the Jewish tradition of avoiding speaking the ‘ineffable name’ (YHWH). However, back in ancient times, there was a pagan deity of Babylon and Canaan which was invoked under this particular pronunciation: **Baal Gawd** (See Joshua 11:17 and 12:7) By teaching the lie that the common man must avoid speaking the name Yahweh, they are actually proving to the world that that is indeed the correct pronunciation of the true name of the Most High. If ancient Israel, nor the Messiah never prayed to GAWD, then you have to ask yourself...*should I?*

This ministry has produced the most accurate English translation of the New Covenant Scriptures to date containing both the original and true pronunciations of both the Most High Creator Yahweh and His firstborn Son (from the dead) the risen Messiah Yahsha! If you had read our book, **BABYLON'S TROJAN HORSE – 666 in Jesus Name** you would understand why all those who serve “H’SOOS”/Jesus get so excited about going to war. If you have not read this FREE online eBook at [www.TheGreatInvitation.net](http://www.TheGreatInvitation.net), then you don’t realize that “Jesus” in the Hebrew language is pronounced as “H’-soos”, which means: **the Horse!** This “beast” is *the image of WAR - man’s war machine* as depicted in many bible prophecies, including “The Four Horses of the Apocalypse” on full display and horror in the Book of Revelation chapter 6!

## THE RED HORSE REACTION

With the 16th anniversary of the 9-11 terror attack upon the USA fast approaching, it’s time the unrepentant American public realize that the worst is yet to come! Indeed the First Seal of Revelation’s judgments opened on 9-11, now the world can expect the horrifying nightmare of a great third world war! This is the Second Seal and the nuclear “Red Horse”!

For the past 10 years, the US President – the Rider king of the White Horse (USA/ NATO) - has relentlessly attacked and invaded the oil-rich nations of the Middle East – just as Daniel 11:40-43 prophesied! Now, the Red Horse – Chinese & Russian Alliance - has prepared itself to bring an end to this rogue world power – Western Civilization. You are about to witness the ultimate “Clash of Civilizations” just as prophecy declares in Daniel 11:44b, **“therefore, he shall go out with great FURY to destroy and annihilate many.”**

This is when “*nation rises against nation and kingdom against kingdom*” (Matthew 24). You are living in the last days and America is about to feel the full brunt of YHWH’s judging hand for its many sins.

## SPY WARNS OF RUSSIAN WAR PLANS

Stanislav Lunev -the highest-ranking GRU (Russian military intelligence) officer ever to defect from Russia -- also warns that Russia is preparing for war against the United States. Lunev’s book *Through the Eyes of the Enemy* states categorically that the Cold War is not over and that Russia continues to plan for a nuclear war. *“Russia remains terrified of the (out-of-control) power of America, and Russian military intelligence does everything it can prepare for a war that it considers inevitable,”* he wrote. This war, Lunev details, would employ nuclear, biological and chemical weapons against America.

### RUSSIAN PLANS: KILL US LEADERS

Col. Lunev was Russia's top spy in China and the United States

Lunev explains war would begin with the infiltration of Russian special operations troops into the US, who would kill top political and military leaders. Lunev also warns that Russian GRU (military intelligence) agents have already deposited, near key water reservoirs, deadly poisons and toxins which would result in millions of civilians being ravaged by disease. Lunev says, for instance, that the Russians have determined that they could wipe out a significant part of the population of Florida by polluting water sources in the Carolinas. Another part of Russia's plan, according to Lunev, is deployed suitcase nuclear bombs at strategic points throughout the US. Lunev says he personally scouted a site in the Hudson Valley just above New York City for one such suitcase nuke. Lunev has also told me that the democracy movement in Russia was a charade ("Perestroika Deception") and part of a "plan" to get the public of the West to accept disarmament achieving through deception what the Soviet Union was never able to achieve militarily. Lunev explained that China was pursuing parallel policies, absorbing as much Western aid and technology as possible before a final confrontation, which Lunev regarded as imminent.

#### **CHINA READY FOR WAR - AGAINST THE US, IF NECESSARY**

**LA TIMES** | Aug.8,2017

*"China has made it clear that should North Korea come under attack, China would act to protect its national interests"* To mark the 90th birthday of the People's Liberation Army on Aug. 1, China's President Xi Jinping went to the Inner Mongolian steppe to the site where Genghis Khan began his conquest of Eurasia. There, at Zhurihe, he was welcomed by an impressive display of China's martial might: a parade of Chinese troops, tanks, helicopters, aircraft and missiles. But the main course was a massive war game demonstrating the state of China's preparation to "fight and win" future military conflicts. For what war is the PLA preparing? Recent events should make the answer abundantly clear.

In July, North Korea conducted two ICBM tests that put the American heartland within reach of its nuclear weapons. In response, the U.S. flew two B-1 bombers over the Korean peninsula to send the message, in the words of Pacific Air Forces commander Gen. Terrence J. O'Shaughnessy, that the U.S. is "ready to respond with rapid, lethal and overwhelming force at a time and place of our choosing." Xi's parade, along with recent Chinese military maneuvers, sends an equally unambiguous message: If war breaks out on the Korean peninsula, China is ready to protect its national interests. A major pillar of Xi's program for "making China great again" is building a modern military fully "capable of fighting and winning" a 21st century war — including, if need be, against the United States...

"The world is not peaceful," Xi said at Zhurihe, warning, "we need more than any period in history to build a strong people's military." Notably, the exercises there featured Chinese forces facing off against a "Blue Force" modeled on the command structure, technology, weaponry and tactics of the United States.

As Secretary of Defense James N. Mattis keeps saying, North Korea is a “clear and present” threat. Events there could drag the U.S. and China into a major war neither wants.

Especially in the context of Thucydides’ Trap — the dangerous dynamic when a rising power threatens to displace the ruling one — once military machines are in motion, misunderstandings and miscalculations could escalate all too easily to a catastrophic conflict no one intended.

### THE “RED HORSE” – *the Sino-Russian Alliance the SCO*

The goals of the Shanghai Cooperation Organization (SCO) are defensive in nature. The SCO consists of the following nation states: Russia, China, India, Iran, Pakistan, Mongolia, Kazakhstan, Uzbekistan, Kyrgyzstan and Tajikistan. Other allies of this arrangement include the official members of the BRICS nations: Brazil and South Africa. The economic objectives of the SCO are to integrate and unite Eurasian economies against the economic and financial onslaught and manipulation from the “Trilateral” of North America, West Europe, and Japan, which controls significant portions of the global economy. Pro-Zionist America and Britain, the Anglo-American alliance, have engaged in an ambitious project (PNAC) to control Eurasia’s global energy resources. Their empiricist actions have resulted in a series of complicated reactions, which have

established a Eurasian-based coalition (SCO) which has been preparing to challenge the NATO Axis (White Horse).

## RUSSIA THREATENS NUKE STRIKE

Recent statements coming from one of Russia's highest-ranking military commanders indicate that America and Israel plan to go ahead with war on Iran despite the release of the National Intelligence Estimate late last year (2007). Russia's military chief of staff General Yuri Baluyevsky threatened the use of nuclear weapons in case of a major threat. He said that, they nevertheless "consider it necessary for everyone around the world community to clearly understand, that to defend the sovereignty and territorial integrity of Russia and its allies, military forces will be used, including, preventively, the use of nuclear weapons."

What is of particular importance in General's statement is his mention of "defending the sovereignty and territorial integrity" of, not just Russia, but her "allies" as well. Baluyevsky's statement, despite the stark and apocalyptic themes pervading it, comes as no surprise. Over the course of the past year, Russia has taken on an increasingly aggressive defensive posture with regard to the West as a result of what it sees as an overall plan of encircling her with NATO forces that threaten her existence. Both Iran and Syria remain on Israel and America's list of countries targeted for invasion and conquest. Both are important trading partners occupying Russia's peripheries and therefore a first-line defense.

### **Invasion of Iran would trigger World War III**

8/31/08 | **Tehran Times** Political Desk

TEHRAN – Brigadier General Massud Jazayeri said ...any military invasion of Iran would trigger another world war. "Any aggression against Iran would be the start of the world war. The exorbitant demands of the U.S. leaders and the global Zionism which have created the current situation in Iraq, Afghanistan, Sudan, and Caucasus are gradually directing the world to the edge of the cliff," Jazayeri opined.

### **Attack Iran and you attack Russia (the Red Horse)**

10/26/2007 | **Asia-Times** - Putin and Iran's leader have agreed on a plan to nullify the US's relentless drive towards launching a preemptive attack, perhaps a tactical nuclear strike, against Iran. An American attack on Iran will be viewed by Moscow as an attack on Russia...

### **Chinese Sub Surprises U.S. Aircraft Carrier Battle Group, Surfaces Within Striking Distance**

November 10th, 2010

The United States Navy was performing exercises between Japan and Taiwan

when a lone Chinese submarine did the unthinkable. It surfaced, undetected, within striking range. US military chiefs have been left dumbstruck by an undetected Chinese submarine popping up at the heart of a recent Pacific

exercise and close to the vast U.S.S. Kitty Hawk – a 1,000 ft. super carrier with 4,500 personnel on board. By the time it surfaced the 160ft Song Class diesel-electric attack submarine is understood to have sailed within viable range for launching torpedoes or missiles at the carrier. According to senior NATO officials the incident caused consternation in the U.S.

Navy. The US had no idea China's fast-growing submarine fleet had reached such a level of sophistication or that it posed a threat.

## A CLOSER EXAMINATION

These are the realities of our present day – August 2017. The Red Horse nations will not sit idly by and just watch the White Horse conquer those of their alliance. The Rider of the White Horse spoke of “*fire and fury*” against the threats of North Korea. These are the words right out of Daniel’s prophecy in chapter 11, verse 44...let’s take a closer look at what Pres. Trump will fulfill,

***“But tidings from the (Far) East and the North (Korea) shall trouble him (Trump); therefore, he (Trump) shall go out (militarily) with great FURY to destroy and make away (annihilate) many.”***

Daniel 11:44 (KJV)

The King James Version is being quoted above because all the words found in the KJV are used throughout the popular *Strong’s Exhaustive Concordance*. With that we can get a better definition and idea of what these original Hebrew words mean. This closer examination of the words will give you a better look at how the current situation between North Korea’s dictator and US President Trump is truly fulfilling this prophecy right before our eyes.

The words that are underlined in the above verse are detailed here:

***Tidings:*** Heb#8052 shemuah – meaning: *to hear a report, news, rumors, announcement.*

The bellicose threats and rantings of Kim Jong-Un have been announced all over the news, which fulfills the English translation “tidings” or “news” found within most Bible versions.

***Trouble:*** Heb#926 bahal – meaning: *to disturb, terrify, nervous, be anxious, afraid, hurriedly*

US President Trump – the King of the North – has shown much anxiousness and appears very disturbed by the terrifying threats from the N.K. dictator.

**Fury:** Heb#2534 kamah – meaning: *heat, wrath, indignation, rage*

This is the very word “*fury*” which the King of the North used on August 8, 2017 in reaction to the threatenings of Kim Jong-Un. Trump’s intention of a furious nuclear response was unmistakable from his speech.

**Destroy:** Heb#8045 shamad – meaning: *annihilate, exterminate, be devastated, destruction, overthrown, perish*

This word is self explanatory. The coming attack upon North Korea by US military forces will completely overthrow by devastating the country with nuclear weapons, not used since the end of World War II upon Japan.

**Make Away:** Heb#2763 kharam – meaning: *to dedicate to extermination completely, (annihilate)*

The New King James Version prefers the word *annihilate*. We see from this prophecy that North Korea may no longer even physically exist as a nation or a people after this coming *fiery* nuclear attack by the “*King of the North*”.

There can be only one conclusion: US President Donald J. Trump – the Rider of the White Horse of Revelation 6:2 will has already initiated World War III. It is on the horizon. This final chapter was written as prophecy yet to be fulfilled. But after this year, this book could very well be a very accurate HISTORY book! It’s time for American people to wake up to the coming judgments of the Lamb upon this land and her people. Let President Trump know that he must NOT bomb North Korea – no matter what the madman from North Korea says or does. America has been boxed into a “*catch-22*” situation...2017 is the year of Checkmate...judgment has been sealed upon US.

President Trump will be sent a copy of this book, which I pray he will take seriously. Whether he gets it or not, or even reads it not, there is no way of knowing. The future lay before us. Prophecy will be fulfilled. There’s only one thing a person can do...Pray and ask for forgiveness and giving your life over to His will and His truth. May His mercy come upon you. May you be “*counted worthy to escape the things which must shortly come to pass...*” – Luke 21:36

As surely as Yahweh lives,  
Save your remnant Abba Yahweh!

*I hope to see you at the Great Wedding Feast - 2026!*  
Shalom,  
*Ambassador Beniah*
